Sir:

Greetings!

UP Halcyon is a socio-civic organization, committed to helping the marginalized sector of society. Since its inception, the organization has been consistent in giving aid, doing volunteer work, and partnering with organizations with the same goals. Give a Different Kind of Love and Project SMILE, our charity works where we give donations to chosen beneficiaries, benefits from the proceeds of our projects such as City-Wide Youth Leadership Training.

City-Wide Youth Leadership Training 2020, with the theme “#SanaAll: Young Leaders Redefining Social Norms in the Pursuit of an Inclusive Philippines” is one of our projects for this year. The event aims to become an effective partner of the Department of Education in advocating higher quality education and academic excellence through various lectures and workshops. Furthermore, it also intends to inspire and motivate the youth in achieving success in life with the help of credible speakers. We believe that our student leaders of today are the future leaders of tomorrow. And we have the great responsibility to mold these young minds and help them be efficient leaders who can initiate mobilization, change, and action, especially in times of crisis and emergency situations. The workshop will be held on the **25th of January 2019, Saturday** and will have a registration fee of Php 200.00 for each participating student, inclusive of lunch, two sets of snacks, and a training kit for each student.

In this regard, we humbly request your good office to have the City-Wide Youth Leadership Training endorsed. Should you have any queries, please do not hesitate to contact **Angela Bucu (0956 130 1900)** or **Alaiza Balagasay (0915 008 6469)**. We are hoping for a favorable response and we are extending our deepest gratitude in advance. More power and God bless!
