SUBJECT : Online Presentation of Debriefing/Re-Entry Application Project  
(REAP) for the Korea-Philippines Teacher Exchange Programme  
(KPTEP) Batch 2019

DATE : 05 May 2020

The Debriefing/Re-Entry Application Project of the Korea-Philippines Teacher Exchange Programme (KPTEP) activities provides opportunities for the participants to share the significant learnings they derived from their experience in their respective host schools. It is also a venue to gather feedback on what needs to be improved in the program based on the challenges that the participants have encountered.

The debriefing phase is also a platform to present the Re-Entry Application Proposal which is an innovative project that applies the concepts of Global Citizen Education (GCED) to address identified priority improvement areas as articulated in the School Improvement Plan (SIP).

In light with the Covid-19 Pandemic and the Enhanced Community Quarantine in Metro Manila, the International Cooperation Office (ICO) will be conducting an Online Presentation and an update of the status of the KPTEP Batch 2019 project. The First Batch of presentation will be on May 11, 2020 and May 12, 2020 for the Second Batch, from 1:00 pm to 4:00 pm respectively. The online presentation will be conducted through Zoom apps video call services.
