Dear **Dr. Magan**:

Good day!

It brings us great sadness to inform you that after considerable thoughts and discussions, I, Mr. Roderic J. Palileo, School Director of Datamex Institute of Computer Technology Inc., have decided to temporarily close the institution which will be effective for school year 2020-2021. This heart-wrenching decision was made with the consultation of the school faculties and staffs.

For 6 months of Pandemic, the whole institution including the staffs, parents and students as well, have been facing financial difficulties. The crisis brought us financial disability to operate, the numbers of enrollees are very low and we were forced to vacate the building, hence these are the reason for temporarily closure of our school.

However, we are not closing the possibility that our beloved Institution may re-open as soon as the situation goes back to normal.

We are hoping for your kind consideration. Thank you and God bless!

Sincerely yours,

**RODERIC J. PALILEO**  
 School Director
