**MEMORANDUM**  
14 October 2020

**For: Regional Directors and BARMM Education Minister  
Schools Division Superintendents**

**Attention: All Interested Teachers / Master Teachers**

**Subject: DepEd-UNICEF OER/eBook Development  
Training and Workshop**

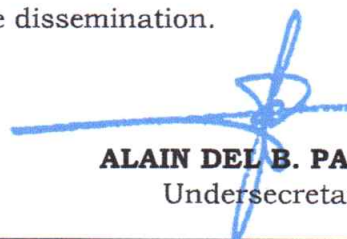

The Office of the Undersecretary for Administration (OUA) through the Information and Communications Technology Service (ICTS) in partnership with Intelimina Systems, Inc. will conduct Training-Workshops for the **DepEd-UNICEF OER/eBook Development Project**. The objective is to produce eBooks that achieve DepEd's Most Essential Learning Competencies (MELCs).

There will be two (2) training-workshops that will involve up to 100 participants. The first will enable participants (ideally, Master Teachers) to evaluate the level of alignment of the Self-Learning Module (SLM) with the MELCS using a rubrics developed for this project. The second will enable participants (Master Teachers as well as IT teachers) to convert SLMs (that have been evaluated for their alignment to MELCS in the first training session) into digital format (eBook) using the Kotobee Reader. Based on the output, participants will receive incentives as well.

In this connection, interested participants are enjoined to send their intent to participate to the said training on or before 20 October 2020 by accessing this link: <http://bit.ly/slmtraining> . Attached is the Training Matrix for ready reference.

For any clarifications with regard to the training-workshops, please email your concerns to [edtech@deped.gov.ph](mailto:edtech@deped.gov.ph) .

For appropriate action and immediate dissemination.

## TRAINING OBJECTIVES:

### A. Objectives of the SLM Review and Evaluation (Module 1)

1. Introduce the concept of Open Education Resource
2. Understand the review tools (rubrics) developed for the project
3. Apply the tools in reviewing their assigned modules

*Target Output:* List of SLMs tightly aligned with MELCs that are ready for conversion into the digital format.

### B. Objectives of the SLM Conversion into eBooks (Module 2)

1. Introduce the Design Principles and E-book Creation
2. Introduce and use Kotobee Reader

*Target Output:* SLMs converted into eBooks
