FROM : **RONILDA R. CO**
Director IV
Disaster Risk Reduction and Management Service

SUBJECT : **REQUEST FOR SELECTED TEACHERS TO PARTICIPATE IN A
FOCUS GROUP DISCUSSION ON TEACHING CLIMATE
CHANGE AND BIODIVERSITY**

DATE : **6 NOVEMBER 2020**

The Philippines faces a new normal that is extremely vulnerable to the impacts of climate change in all its frontiers -- stronger typhoons and longer droughts, conflict and political instability, pandemics, and resource management. To strengthen integration of climate change education in the K-12 Curriculum, the Disaster Risk Reduction and Management Service (DRRMS) leads the development of teacher resources and learning materials for selected climate change competencies.

With this, we would like to invite selected teachers from your division to an **online focus group discussion on teaching climate change** on **17 November** and **1 December 2020** from **9:00-11:00 a.m. and 2:00-4:00 p.m.** Your division was chosen based on the vulnerability of your locality to climate change as identified by the Cabinet Cluster on Climate Change Adaptation, Mitigation, and Disaster Risk Reduction. Please refer to **Annex A for the number of teachers**. Please choose two sets of attendees for the two dates. The selected teachers may register at <http://bit.ly/DRRMSFGD2020> on or before **13 November 2020**.

The meeting room link will be sent to their e-mail address a day before the focus group discussion.

For more information, you may contact Lara Jean L. Salaysay of DRRMS at drmo+ccam@deped.gov.ph.

Thank you very much.
