All Others Concerned

1. In support to the 1997 Philippine Constitution, which stresses the role of educational institutions to inculcate and strengthen ethical and spiritual values, and develop moral character and personal discipline; and the approval into law of **Republic Act No. 11476** or the "**GMRC and Values Education Act**", the Bureau of Learning Delivery - Teaching and Learning Division (BLD-TLD) will conduct a virtual Workshop on the Development of Policy on Values Education Program on December 09-18, 2020.
2. The main goal of the activity is to redefine the policy on Values Education Program. It specifically aims to:
 - a) review the existing policies in support to the implementation of Values Education to determine which policies need to be strengthened, amended or revised;
 - b) recommend policy actions and strategies that will directly address issues and problems confronting Values Education; and
 - c) redefine Values Education policy by incorporating relevant provisions of Republic Act No. 11476 – "GMRC and Values Education Act" and strategies and activities recommended by various stakeholders to be more responsive to the current situation and future needs of Filipino learners.
3. In this connection, we would like to invite participants from your region to join us in this workshop. List of names are indicated in the attached Annex A. They are requested to register at <https://bit.ly/VEP2020-reg> not later than December 07, 2020 to confirm their participation.
