In light of this, UP NAMNAMA – Baguio and UP Pre-Medical Society - Baguio shall collaborate and hold the first MEDALLA, a national academic and public health conference consisting of different academic competitions and lecture series pooling the country's best minds. It aims to promote students' intellectual, social, cultural, and public health awareness through an interscholastic competition and lecture series. MEDALLA is the Ilocano term for "medal". It pertains to an object that has commemorative purpose and many are given as awards as a form of recognition. In this endeavor UP NAMNAMA – BAGUIO and UP Pre-Medical Society - Baguio aim to recognize the purpose of each individual participating in the event while still carrying out honor and excellence amidst the current health crisis.
