**PHILIPPINE SCIENCE HIGH SCHOOL – EASTERN VISAYAS CAMPUS’ SCIENCE,
TECHNOLOGY, ENGINEERING, AND MATHEMATICS (STEM)
APPROACH TO BETTER WELL-BEING**

Attached is an emailed letter from the Philippine Science High School – Eastern Visayas Campus (PSHS-EVC), dated March 12, 2021, announcing the conduct of the PSHS-EVC Science, Technology, Engineering, and Mathematics (STEM) Approach to Better Well-Being on April 8, 2021.

The invited schools may select interested learners, four Grade 5 and five Grade 6, to participate in the said activity.

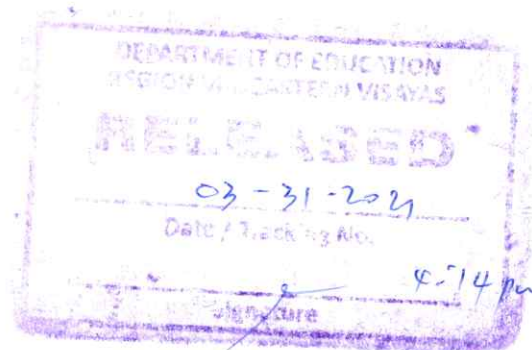

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

For more information, refer to the attachment or contact:

Office of the Campus Director

March 12, 2021

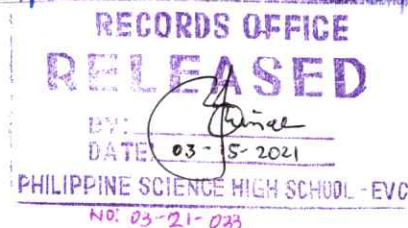

Ma. Gemma Mercado Ledesma

Regional Director

Department of Education – RO VIII

Government Center, Candahug

Palo, Leyte 6501

Ma'am:

Warm greetings from Philippine Science High School – Eastern Visayas Campus!

The **Philippine Science High School – Eastern Visayas Campus (PSHS-EVC)**, will conduct an activity on April 8, 2021 with the theme **“Philippine Science High School – Eastern Visayas Campus STEM Approach to Better Well-Being”**. The PSHS-EVC is a member of the Philippine Science High School System which is an attached agency of the Department of Science and Technology focused on providing free secondary education to deserving scholars with high aptitude and valuable interest in Science, Technology, Engineering, and Math (STEM). As the Philippines delved into uncharted 21st century learning, the COVID-19 pandemic swerved us into a whirlwind of strategies unknown to our local society.

In line with this, we would like to invite selected DepEd schools to participate in the academic activity, **STEM Regional Quiz Bee** and **Science Classroom Demo** to be held virtually through our online platform, on the same day from **9:00 in the morning until 12:00 noon** and **1:00 to 4:30 in the afternoon**, respectively. Entry to the said event is registration-free.

We are inviting the following schools and their invitation letter:

Dulag Central School
Sto. Nino Elementary School
Tanauan II Elementary School
Palo Central School
Pawing Elementary School
Sto. Nino SPED Center
Leyte Normal University – ILS
City Central Elementary School
Rizal Central School

Maasin City SPED Center
San Jose Elementary School
Marasbaras Elementary School
San Fernando Central School
Kapangi-an Elementary School
Cabalawan Elementary School
Caibaan Elementary School
Panalaron Central School
San Joaquin Central School

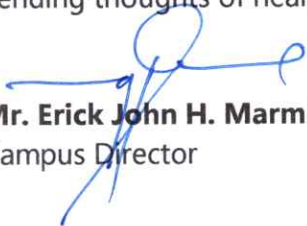

Catbalogan I SPED

Baybay I Central School
Naval SPED Center
Catarman SPED Center
Sacred Heart School

STEFTI
Balangiga Central Elementary School
Alang-Alang I Central School
Holy Infant College

We are eager to have **five (5) Grade 6 and four (4) Grade 5 students** from these schools to take part in the activities that we prepared. We also welcome other schools from all over the region you deem virtually capacitated to join this online event. We expect the prospective participants to have a laptop or mobile phone with **stable internet connection on the day of the event, April 8**. We hope to develop in them a scientific mindset in a time when our evidence-based consciousness is highly challenged. Should you require more information, you may contact **Ms. Nida M. Diodoco** through mobile **09653587787** or email n2magdua@evc.pshs.edu.ph. We will be waiting for your confirmation to this invitation through the aforementioned contact person not later than March 29, 2021.

Sending thoughts of health and peace,

Mr. Erick John H. Marmol
Campus Director
