SUBJECT : **Request for Information Dissemination of the Survey on Learning Mathematics for Students with Special Needs**

DATE : 17 May 2021

This is with reference to the communication from the SEAMEO Regional Centre for QITEP in Mathematics (SEAQiM) regarding the request for information dissemination of the "Survey on Learning Mathematics for Students with Special Needs."

The SEAQiM has finalized a survey on learning mathematics for students with special needs. This is a part of the Inter-Centre Collaboration (ICC) Project entitled "Redefining the Needs of Special Education Students for Mathematics in Southeast Asia," a project initiated by SEAQiM and fully supported by the SEAMEO Secretariat and other partnering institutions.

In this regard, we would like to seek your assistance in disseminating information on the survey. It would be highly appreciated if **teachers of students with special needs** could answer the survey through the link <http://bit.ly/SurveySENEnglish> on or before **31 May 2021**.

For further coordination on the matter, your staff may contact the International Cooperation Office through email at [ico@deped.gov.ph](mailto:ico@deped.gov.ph).

Thank you very much.
