SUBJECT : **NEDA Interview on Education Outcomes**

DATE : June 28, 2021

The National Economic Development Authority (NEDA) through its -Social Development Staff is conducting a research which aims to identify factors affecting the education outcomes of Filipino students. Specifically, the study will a) analyze the education outcomes vis-à-vis reforms in basic education; b) compare Philippine practices with selected high performing countries; and c) provide recommendations to improve education outcomes.

Part of the research is to conduct interviews with select DepEd personnel from the field offices to gain valuable inputs that may contribute to the study. DepEd Secretary Briones has granted the approval for NEDA to conduct the said interviews which is scheduled between July 6 to 16, 2021.

In this regard, may we request the concerned Division Offices to facilitate the identification of the following participants:

- Two (2) Division personnel that is at least chief level; and
- One (1) or two (2) teachers each from the selected elementary, junior and senior high schools.

The interview with the division staff together with the teachers is estimated to run for about two (2) hours. Attached for your reference, are the list of selected schools which reflects the indicative schedule of interview and the Key Informant Interview Questions.
