Dear Maám/Sir:

Good day!

The Department of Science and Technology – Science Education Institute (DOST-SEI) is currently cleaning and updating the List of Schools for the S&T Scholarship E-Application Systems, in preparation for the **2022 DOST-SEI Undergraduate Scholarship Application**. The target application period for this scholarship will be on September to November 2021.

In connection to this, we would like to request assistance from your agency of the following updated information of the Senior High Schools in Region 8, to wit:

1. Complete Name of the School
2. Complete Address of School
3. High School ID as assigned by DepEd
4. Name of Principal
5. Name of Registrar
6. Official Phone Number/s of School
7. Official E-mail Address of School
8. School Class (ALS, Home School, Private, Public, RSHS, S&T Oriented, University-based)
9. Number of School Terms (Semester (2), Trimester (3) Quarter Term (4))
10. Transmutation Table of Grades (Equivalent Grades in Percentages)

Please be informed that some of the information will be used as drop values in the E-Application Systems which can provide ease to the applicants when they accomplish the online application. The other data shall be used for validation of the information provided by the applicants in their application for the scholarship. The Transmutation Table of Grades will be made an integral part of the E-Application Systems wherein grades in certain subjects and the General Weighted Average shall be used in the data analytics for the selection of scholarship qualifiers.

Again, we highly needed your help in coming up with a comprehensive profile of the senior high schools in Region 8. Please see attached format, for your reference. We would appreciate if you could provide us the updated details on or before July 23, 2021.
