DEPARTMENT OF SCIENCE AND TECHNOLOGY

MEMORANDUM

FOR : DR. JOSETTE T. BIYO
Director, DOST-SEI

MS. LILIA T. HABACON
Executive Director, Philippine Science High School System

FROM : LEAH J. BUENDIA, Ph.D.
Assistant Secretary for International Cooperation

SUBJECT : IAEA - 2021 National Fellowship for Further Education in STEM areas for Star Science Teachers: A Continuing Education Program for Science Teachers

DATE : 05 August 2021

We are pleased to extend the invitation from the International Atomic Energy Agency (IAEA) on the 2021 National Fellowship for Further Education in STEM areas for Star Science Teachers: A Continuing Education Program for Science Teachers. This Fellowship Programme aims to contribute to enhanced competency of secondary science teachers in the region through formal education in the field of Science, Technology, Engineering and Mathematics (STEM) at Master's level.

The Fellowship Programme entails supporting Secondary Science teachers to pursue academic education at master's degree level in any of the STEM field in the country of the participant for the maximum period of two years or based on the duration of the master's programme.

The eligibility criteria are as follows:

- Applicants must be working in their field at least 5 years;
• Secondary science teacher who had actively participated in any of the activities under RAS0079 including the 2021 Virtual Educational webinars;
• Evidence of acceptance from University at own country for master's degree in any of STEM Topic.

The IAEA will provide to the successful applicants allowance sufficient to cover the costs of lodging, daily subsistence and miscellaneous expenses, round-trip ticket based on the most direct and economical route between the airport nearest their residence and the airport nearest the duty station through the IAEA's travel agency American Express, or a travel agent, or a reimbursement travel by car/bus/train in accordance with the IAEA rules for non-staff travel.

Attached is the information packet of the Fellowship Programme for your guidance and reference. For nomination of participants, kindly inform our office through Mr. Paolo Samoza at pcsamoza@dost.gov.ph on or before 23 August 2021.

Thank you very much.

DIR. MA. GEMMA MERCADO LEDESMA
Regional Director
Department of Education
Regional Office VIII
Candahug, Palo Leyte

Dear Dir. Ledesma:

We are respectfully forwarding herewith a Memorandum from Dr. Leah J. Buendia, Assistant Secretary for International Cooperation of the Department of Science and Technology (DOST) regarding the call for applications for the **IAEA – 2021 National Fellowship for Further Education in STEM Areas for Star Science Teachers: A Continuing Education Program for Science Teachers.**

The Fellowship Programme aims to contribute to the enhanced competency for secondary science teachers in the region through formal education in the fields of Science, Technology, Engineering and Mathematics (STEM) at Master's level. It entails supporting Secondary Science teachers to pursue academic education in any of the STEM fields in the country for a maximum period of two years or based on the duration of the programme.

The criteria of eligibility to the programme are as follows:

1. The applicant must be working in their field for at least 5 years;
2. Secondary Science teacher who had actively participated in any of the activities under RAS0079 including the 2021 Virtual Educational webinars; and
3. Evidence of acceptance from the University at own country from master's degree in any of STEM Topic.

The IAEA will provide the successful applicants with allowance to cover the costs of lodging, daily subsistence and miscellaneous expenses, and roundtrip ticket based on the most direct and economical route between the airport nearest their residence and duty station, or travel expenses on reimbursement basis in accordance with the IAEA rules for non-staff travel.

In connection to this, we kindly ask assistance for the wide dissemination of the programme to the different state universities and colleges (SUCs) in the region.

For nomination of participants, kindly inform Dr. Buendia's Office through Mr. Paolo Samoza at pcsamoza@dost.gov.ph. Deadline for submission of application is on or before the 23rd of August 2021. Herewith attached is a copy of the Memo for your reference.

Thank you.

Very truly yours,

ERNESTO M. GRANADA
Regional Director
