INVITATION

WHAT: Webinar on “Resilient Ecosystems for Sustainable Development in a Changing Climate”

WHEN: 17 September 2021, 9:30 AM to 11:30 AM via Zoom.

The webinar series aims to 1) determine the vulnerability of the Philippine development as climate change risks interact with other stressors like the COVID-19 pandemic; 2) identify key strategies to “build back better” from the ruins of the COVID-19 pandemic while simultaneously addressing the impacts of climate variability and extreme events; 3) harness the potentials of science, technology, and innovations (STI) to put the Philippines into the pathways of climate-resilient and sustainable development considering the multiple stressors we face under the new normal; and 4) recommend measures to strengthen policies and governance systems to realize a climate-resilient and sustainable development in the Philippines.
