Subject: **SCHEDULED/SUGGESTED ACTIVITIES DURING THE ONE HEALTH WEEK CELEBRATION ON 6-11 SEPTEMBER 2021**

1. The Department of Education, through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), will celebrate the **One Health Week**¹ on September 6-11, 2021 to showcase DepEd's flagship programs under the *Oplan Kalusugan sa DepEd (OK sa DepEd)*:
 - a. Medical, Dental, and Nursing Services, including the School Dental Health Care Program (SDHCP);
 - b. Water, Sanitation, and Hygiene (WASH) in Schools (WinS) Program;
 - c. School-Based Feeding Program (SBFP);
 - d. Adolescent Reproductive Health (ARH) Program;
 - e. School Mental Health Program; and
 - f. National Drug Education Program (NDEP).
2. The theme for the celebration is "*Bayanihan para sa Kalusugan: OK sa DepEd, sa Paaralan, at sa Tahanan,*" emphasizing how partnerships for school health are essential to support the new school year that will remain under the "new normal" set-up.

¹ Pursuant to DepEd Order No. 28, s. 2018 titled *Policy and Guidelines on Oplan Kalusugan sa Department of Education (OK sa DepEd)* and DepEd Order No. 29, s. 2021 titled *School Calendar and Activities for School Year 2021-2022*; The One Health Week Celebration is conducted yearly at the beginning of the school year to mobilize the school community and promote collaboration with partners and stakeholders at each governance level especially in schools. Kick-off activities are done for each program via delivery of age-appropriate health services, orientation of stakeholders, exhibits and the like. Due to the COVID-19 restrictions, this year's celebration shall be done mostly via virtual events.

3. Each day of the One Health Week will showcase a set of activities that focus on a specific *OK sa DepEd* flagship program.
 - a. Scheduled activities coordinated by the Central Office, through the BLSS-SHD, will provide key updates and launch key initiatives under each *OK sa DepEd* flagship program, especially given the current situation of the basic education sector.
 - i. The schedule of the activities is fixed. All DepEd personnel, learners, partners, and other stakeholders are invited to virtually participate in these national activities that will be streamed via the official social media pages of the Central Office and cross-posted in the social media pages of the Regional Offices (ROs).
 - ii. Schools Division Offices (SDOs) and schools are enjoined to share the livestream of the said activities in their respective social media pages as scheduled.
 - b. Suggested activities to be coordinated by the ROs and SDOs nationwide, through their respective School Health and Nutrition (SHN) Units/Sections, intend to promote the regions'/divisions' respective health and nutrition initiatives for the schools and the learners in their respective jurisdictions, and how such initiatives ensure the health, safety, and well-being of the learners especially amid the pandemic.
 - i. Suggested activities may be modified depending on the respective contexts of the ROs or the SDOs. ROs and SDOs are encouraged to livestream their activities in their respective social media pages.
 - ii. The field is enjoined to hold the suggested activities in the recommended timeslots so as not to overlap with the scheduled activities coordinated by the Central Office.
4. The overview of the scheduled national activities and suggested field activities is shown below. Refer to the Annexes for the details of each activity, including the latest draft program for each activity as well as the requested/recommended preparations for the field for the activities. Annex G

ARH Activities (9 September 2021)

A. Background of the CSE-ARH Convergence

Several legal bases have been issued for the sexual and reproductive health concerns in the country. Republic Act (RA) No. 10354 titled Responsible Parenthood and Reproductive Health (RPRH) Act of 2012 mandates the Department of Education (DepEd) to have an age- and development-appropriate reproductive health education, calling for a supportive school environment in its Implementing Rules and Regulations (IRR), while the RA No. 11166 titled The Philippine HIV and AIDS Policy Act also mandates that DepEd ensures the development and provision of psychosocial support and counseling in learning institutions for the development of positive health and promotion of values and behavior pertaining to reproductive health.

In the 2019 Kapit-Kamay Summit: A National Summit on the Prevention of Early Pregnancy, DepEd, Department of Health (DOH), Commission on Population and Development (POPCOM) and the National Economic and Development Authority (NEDA) agreed to jointly lead a whole-of-government approach in translating the commitments made into corresponding policies, budget and programs to accelerate reduction of adolescent pregnancies in the Philippines. With this, the different agencies, with support from local and international organizations have developed policies, programs, and projects.

To continue with the advocacy for reproductive health, Executive Order 141 titled Adopting as a National Priority the Implementation of Measures to Address the Root Causes of the Rising Number of Teenage Pregnancies was also recently released.

For DepEd, Comprehensive Sexuality Education and the Adolescent Reproductive Health Program are continuously being implemented and improved. With the CSE-ARH Convergence, the agency is committed to improve the health status of adolescents through linking classroom instruction to critical health interventions by expediting access to adolescent reproductive health services. This aims to address the growing concern of early pregnancy and HIV/ AIDS in the country among others.

In an inter-agency effort led by the DOH and POPCOM, the Ichoose Campaign targets adolescents to make informed choices for their reproductive health while Konektado Tayo is created to bridge the communication gap between Filipino parents and their adolescent children, particularly on issues concerning adolescent sexuality and development.

During the One Health Week, the CSE-ARH Convergence shall be highlighted to have an overview of the various service delivery mechanism that can be offered in schools. The Ichoose and Konektado Tayo campaigns shall be cascaded to

schools through the Regional and Schools Division Offices as part of the health education promotion for reproductive health.
