SUBJECT : **Workshop on the Development of Training Materials for the STEM Education Program Trainers**

DATE : October 19, 2021

The Department of Education, through the Bureau of Curriculum Development (BCD), will conduct the **Workshop on the Development of Training Materials for the STEM Education Program Trainers on November 22-26, 2021**. This is in preparation for the expected release of the Policy Guidelines on the Special Curricular Programs of which the Special Science Class is an integral part. The activity will be conducted via online platform.

The online workshop aims to develop the training materials for trainers to be utilized during the training of teachers on the Enhanced Curriculum in Science (Grade 5 and 8), Mathematics (Grade 5 and 8), Research (Grade 8), and Creative Technologies (Grade 8). The enhanced curricula shall be implemented in the Special Science Elementary Schools (SSES), Regional Science High School (RSHS), Legislated Science High School (LSHS), and Science, Technology and Engineering-(STE) implementing schools upon approval of the aforementioned policy guidelines.

Relative to this, select teachers are invited to participate in the activity (see Enclosure 1). The teachers' participation in the activity shall be on official business. Teacher-participants are requested to sign the Non-Disclosure Agreement Form (see Enclosure 2) and send the same to any of the email addresses indicated below.
