REGIONAL MEMORANDUM

No. **000609**, s. 2021

SCIENTEACH: SYMPOSIUM FOR THE YOUTH

To: Schools Division Superintendents
 School Heads
 All Others Concerned

- As part of the celebration for the National and Regional Science and Technology Week and in partnership with the Department of Science and Technology (DOST) Region VIII and National Academy of Science and Technology (NAST), this Office announces the conduct of the DOST's "ScienTeach: Symposium for the Youth" on November 26, 2021, 9:00 a.m. – 12:00 noon.
- The Schools Division Offices are directed to identify and give technical assistance to the learner-participants, who are Junior and Senior High School learners from both public and private schools. In addition, the SDOs are to facilitate the identification of learner-panelists from the identified schools and the participants' registration at <https://bit.ly/ScienTeachinRegion8> on or before November 25, 2021. Refer to the attachment for the allotted number of participants per division and other details.
- Immediate dissemination of and compliance with this Memorandum are desired.

EVELYN R. FETALVERO, CESO IV

DIRECTOR MA. GEMMA M. LEDESMA, CESO V
Department of Education – Region VIII
Government Center, Candahug, Palo, Leyte

Dear Director Ledesma:

Greetings of peace and hope!

The Department of Science and Technology – Region VIII is happy to inform you that once again we will celebrate its Regional Science and Technology Week on November 22-28, 2021, this will be celebrated simultaneously with the National Science and Technology Week with this year's theme: Agham at Teknolohiya: Tugon Sa Hamon ng Panahon. One the major activity during the said celebration is the conduct of **“ScienTeach: Symposium for the Youth”** on **November 26, 2021, 9:00 AM to 12:00 NN** via Zoom. This activity is in partnership with the National Academy of Science and Technology, our sister agency under the umbrella of the Department of Science and Technology. The target participants for this activity are the junior and senior high school students from Region 8.

ScienTeach: A Virtual Symposium for the Youth is a series of episodes that showcase varying topics and feature NAST Members and Awardees who are accomplished in their specific fields. It aims to: 1) promote science and technology, 2) bring our scientists closer to the youth, and 3) inspire and encourage the students to pursue a career in science and technology.

In view of the above, we would like to seek your assistance in inviting participants from national and private Junior and Senior High School in Region 8 using the attached matrix for guidance. The activity constitutes **1000 slots** and for your information some participants will be added as panelists.

Taking into consideration the significance of this activity to both of our agencies, and the strong relationship that we have in the promotion of STEM career here in our region, may we have the honor to invite you to deliver a message? Since the activity will be virtual, we will appreciate if your message will be pre-recorded and we will be happy to receive it not later than **October 22, 2021**.

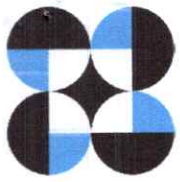

Attached herewith is the **Endorsement Letter and Draft of the Program from the National Academy of Science and Technology** and the **Matrix for the Identification of the Participants for the ScienTeach 2021**, for your information and perusal.

For further inquiries, please do not hesitate to contact us though our telephone number (053) 888-4203 and look for Dr. Ramil T. Uy or Mr. Jone James O. Rosales, or you can email us at records@region8.dost.gov.ph or dost8scholarshipunit@gmail.com.

Thank you very much in anticipation of your usual support to DOST VIII undertakings.

Very truly yours,

ERNESTO M. GRANADA
Regional Director
