SENIOR HIGH SCHOOL DEPARTMENT

Leonor Magtolis Briones
Honorable Secretary
Department of Education
Manila

Thru:

Dr. Evelyn R. Fetalvero
Regional Director
Regional Office VIII
Department of Education
Candahug, Palo, Leyte

Dear Secretary Briones:

The Palompon Institute of Technology as a chartered state maritime and technological institution under the Commission on Higher Education (CHED). It is an Institution of learning that has been delivering the needed kind and quality of service to all its clients in the service area. When Senior High School was added to the K to 12 Basic Education program, the school was also able to play its part in the initial implementation of the SHS Program under Category B beginning school year 2016-2017. DepEd Region 8 had issued this school a permit to offer strands under the **Academic Track**, such as STEM, ABM and HUMSS and the training courses with TESDA certification in **Technical, Vocational and Livelihood Track**, like Home Economics, ICT and Industrial Arts

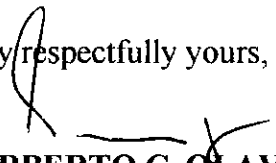

As a government institution, the Palompon Institute of Technology works in support of the implementation of the 5- year transition of the basic education planned and undertaken jointly by the Commission on Higher Education and the Department of Education. The school opens Senior High School program that started in June 2016 for SY 2016-2017 which as supposedly to wind up in March 2021, but which did not happen because of the sudden pandemic. Thus the last batch of graduating senior high school students will instead be completing their work much later in May 2022 yet.

At this juncture, it is informed that after May 2022, the school will close its Senior High School Offering in order to focus its development targets and priorities to offering of courses in tertiary education. This is in conformity with the intention of its governing Board of Trustees to make the school do more on its primary function as spelled out in its mandate. Along this direction, there is no problem foreseen because students who will be going to the

Senior High School program has an adequate number of schools in Palompon where they can be admitted.

It is our hope that the Department of Education is with us in our position.

Very respectfully yours,

NORBERTO C. OLAVIDES
SUC President III
