DEAR DIRECTOR FETALVERO:

GREETINGS!

The COVID-19 Recovery Program for Children in Multigrade Schools in the Philippines is currently being implemented by Fundacion Educacion Y Cooperacion – Educo in partnership with UNICEF and the Department of Education. This project aims to strengthen the capacity of multigrade schools to improve the system for quality, equitable, and inclusive education. Following the distribution of the School-In-A-Bag (SIAB) Kits to recipient schools and the capacity building on multigrade teaching under the new normal for the multigrade teachers, we will be conducting a virtual online training entitled **“Capacity Building on Monitoring and Supervision for Multigrade School Heads, District and Division Supervisors of the Divisions of Samar and Northern Samar”** on December 15, 16, and 17, 2021, 9:00 AM -12:00 PM on the mentioned dates.

In this regard, we are warmly inviting you to this training to provide 3-5 minutes opening remarks. We are also requesting a short profile to introduce you formally to the participants. You may join the training thru this link: <https://unicef.zoom.us/j/97194565518> (Password: 686906)

We are looking forward to having your presence during the virtual training.
