ATTENTION TO: Mr. Harvie Villamor, Chief Curriculum & Learning Management Division

Dear Director Fetalvero,

Greetings from Plan International!

Our sincerest gratitude for the support Department of Education’s Region VIII has provided in the implementation of the Safe Schools 3 project.

In support to DepEd’s Learning Continuity, we hope to finalize Self-Learning Kits (SLKs) developed during the previous phase with the integration of disaster risk reduction, climate change adaptation, school safety concepts, and pandemic preparedness key messages. As part of the process, series of validation meetings with our curriculum writers who originally authored the modules, are valuable in ensuring that content, graphics and citations of the learning materials are appropriate and aligned with current standards and requirements as we enhance the SLKs.

Relevant to this, we are endorsing the consulting team led by **Ms. Marilou Flores** and kindly seeking for your support and endorsement to the respective school heads to participate in the abovementioned activity. In line with this, we will be providing the our teacher-authors a communication allowance of Php300 each to cover their internet cost incurred for the said virtual meetings.

Annexed in this letter is the list of the authors/writers of the self-learning modules for your kind reference and notification. For any concerns/clarifications, kindly contact Joice Balicog, our Project Officer through her mobile number 09754794957, or email her at [Joiceann.Balicog@plan-international.org](mailto:Joiceann.Balicog@plan-international.org). Thank you very much and looking forward to your favorable response on this matter.
