DepEd RO8 ATA-F21 (CY2018-v03-r00)

Nov. 29, 2021

The Schools Division Superintendent

Dear Sir/Ma'am SDS:

Greetings!

Creotec continues to contribute in strengthening our country's STEM education through its programs and activities. As we now approach the end of the year, we shall be launching the 1st Creotec's Online Robotics Coding Competition which will be held from January 18-20, 2022. This competition is open to all private and public school elementary and high school students and will not require any robotics kit. The objective is to highlight and recognize students and coaches who excel in their analytical and problem-solving skills through robotics coding.

It is in this regard that I would like to request for the dissemination of this invitation to all private and public schools within your area for their participation. Cash prizes and certificates shall be given to the winners of the online competition.

For the details of the registration, please contact Ms. Mariz Ramiro at 09268001457 or email us at creotecphils@gmail.com. Also, those who are already interested to register can fill out this form - <https://forms.gle/wpBJ6PuDqDcpvB6fA>.

We shall be scheduling an orientation of the participating teams and coaches on Dec 15, 2021.

Please see the attached poster for dissemination and registration.

We look forward to the participation of schools in your division in this 2st Online Robotics Coding Competition!

Thank you for your support!

Sincerely,

DR. TRESS P. BERMUDEZ
