Assistant Secretary
Alternative Learning System

SUBJECT : MICRO-CERTIFICATION DISSEMINATION FORUM FOR ALS IMPLEMENTERS

DATE : DECEMBER 22, 2021

This Office, through the Bureau of Alternative Education (BAE), in partnership with UNICEF-Philippines, through the University of Melbourne (UoM), and the Assessment, Curriculum and Technology Research Centre (ACTRC) of the University of the Philippines, has completed the project "*Feasibility Study on Micro-certification for the Alternative Learning System (ALS) in the Philippines*".

This project sought to explore the feasibility of an alternative form of assessment and credentialing through which ALS learners can gain certificates when they satisfy a set of pre-determined assessment requirements related to a competency or skill that can be acquired through the ALS program.

In view of the project's completion, this Office and the research team will conduct an online dissemination forum for select participants of assessment framework workshops and select ALS Implementers of the pilot sites on January 14, 2022, Friday at 1:00 – 2:30 PM (*via Zoom*) to present the findings of the study, the implications, and recommendations drawn from the research data.

Attached is the list of the participants for the said activity.

For confirmation, queries and clarification, please contact **Ms. Irene D. Barzaga** of the Bureau of Alternative Education through irene.barzaga@deped.gov.ph.
