Dear Dir. Fetalvero:

Greetings!

The COVID-19 Recovery Program for Children in Multigrade Schools in the Philippines is currently being implemented by Fundacion Educacion Y Cooperacion – Educo in partnership with UNICEF and the Department of Education. Following the distribution of the School-In-A-Bag (SIAB) Kits to recipient schools and the capacity building on multigrade teaching under the new normal for the multigrade teachers, the virtual online training entitled "*Capacity Building on Monitoring and Supervision for Multigrade School Heads, District and Division Supervisors of the Divisions of Samar and Northern Samar*" scheduled on December 15, 16, and 17, 2021 was postponed due to Typhoon Odette which seriously affected the Visayas region.

This virtual training will support in enhancing the competencies of the participants on effective supervision and mentoring in time of Covid-19 pandemic, gaining knowledge on the use of PMS-MES Handbook, and integrating safe protocols at home and school during supervision.

In line with this, we would like to request your approval and assistance to conduct the above-mentioned training on January 12, 13, and 14, 2022, from 8:00 AM to 12:00 PM on the said dates. The participants and guests may join the training through this link: <https://unicef.zoom.us/j/97194565518> (Password: 686906).

We are looking forward to conducting this activity with your approval and presence!

If you have queries, please send them thru juriel.trinidad@educo.org or (+63)999 569 4555.

THANK YOU!

Best regards,

GEMMA CASTILLIO-GOLIAT
