Dear RD Evelyn R. Fetalvero,

Warm Greetings!

Again, our gratitude for your support to SERG. Our "Workshop to Finalize a Guide to the Learning and Development (L&D) Modalities for School Leaders and the Proposed Instructional Supervision Framework for Region VIII" conducted last **February 9 to 11, 2022 was a productive endeavor**. The participants were fully engaged in the discussion and were able to arrive at an initial output.

However, we need to convene the group once more to finalize the Instructional Supervision Framework document and plan for pilot implementation of the learning intervention for School Heads using their selected delivery modalities. This is based on the need of the participants who upon utilizing a tool to check the

quality of their draft IS Framework realized that they would have to gather additional data and more time to discuss as a group to finalize a high quality and contextualized IS Framework for use in Region VIII.

As such, we request your permission for the conduct of a **follow through workshop on March 02 to 04, 2022.**

May we request that the same participants involved in the first workshop be the same attendees to the subsequent workshop so as to maintain continuity in the finalization of the Guide and planning for implementation.

The ten (10) expected participants from the Region and SDOs are as follows:

- **Three (3) from SDO Leyte:**

- SERG TPD Coach Glendale Lamiseria
- SERG SDO Focal Jennie Villasin
- Representative from CID ES Grace Villanueva

Sustaining Education Reform Gains

- **Three (3) from SDO Baybay City:**

- SERG TPD Coach Frolomea Narra Taniza
- SERG SDO Focal Marck Suyom
- CID Chief Josemilo Ruiz

- **Four (4) from the Regional Office:**

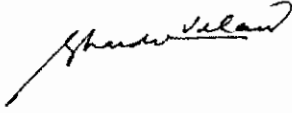

- SERG Focal Alilee Lagumbay
- Representative from CLMD ES Ryan Tiu
- Representative from, Regional NEAP Dina Superable
- Representative from QAD Sonny Tayum

The implementation of the output of the workshop is targeted for the 2<sup>nd</sup> Quarter of the year from April to June. The urgency for the dates is also in consideration of the project closure by 14 October 2022. Hence, the intervention of the SERG Project will have to wrap-up around August 2022.

Please be assured that the conduct of the workshop will continue to follow the health protocols of the LGU and the IATF

We would also want to pursue the School Visits by 2<sup>nd</sup> week of March as stated in our letter dated December 14, 2021. We will coordinate with the pilot SDO of Leyte and Baybay City on this.

Our SERG Education Specialist assigned to your Region, Ms. Maya Lyn H. Banez, will be most happy to coordinate and discuss with your good office on further clarifications regarding the activities. She is available to respond to any of your queries via email address [Maya.Banez@savethechildren.org](mailto:Maya.Banez@savethechildren.org) and mobile number 0917-805-2094.

Respectfully,

**ADELINA H. VELASCO**
