SCIENCE POLICY AND INFORMATION FORUM ON HEARING HEALTH

Attached is an invitation from Director Luningning E. Samarita-Domingo, CESO III of National Academy of Science and Technology inviting healthcare professionals to participate in the Science Policy and Information Forum on Hearing Health.

The National Academy of Science and Technology will conduct its Science Policy and Information Forum on Hearing Health on March 1, 2022, via Zoom.

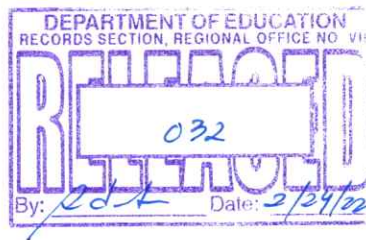

The activity aims to provide an avenue for healthcare professionals to discuss selected topics on hearing health that will allow policymakers to form programs or fund further research to enhance health.

More information may be inquired from:

National Academy of Science and Technology
General Santos Avenue, Bicutan, Taguig City 1631
Tel. No.: (02) 8837-20-71 loc. 2170
Email Add.: advisory@nast.dost.gov.ph

Considering that this is an Advisory, Schools Division Superintendents are given the discretion to act on this matter.

**FOR : REGIONAL DIRECTORS
 DEPARTMENT OF EDUCATION**

**FROM : LUNINGNING E. SAMARITA-DOMINGO, CESO III
 Director IV**

DATE : 22 February 2022

SUBJECT : Science Policy and Information Forum on Hearing Health

The National Academy of Science and Technology, Philippines (NAST PHL), in cooperation with the Philippine National Ear Institute, the Newborn Hearing Screening Reference Center, and the University of the Philippines - Philippine General Hospital Department of Otolaryngology - Head and Neck Surgery, is organizing a **Science Policy and Information Forum on Program Development for Hearing Health** on **1 March 2022, Tuesday, 9:00 AM to 12:00 NN PST via Zoom.**

To be held in celebration of World Hearing Day (March 3), the webinar aims to provide an avenue for healthcare professionals to discuss selected topics on hearing health that will allow policymakers to form programs or fund further research to enhance hearing health. The webinar will cover congenital hearing loss, hearing conservation programs for Noise Exposed Workers, and harnessing technology for hearing health: The HeLe Project.

With this, we are pleased to invite you and your colleagues to attend this event. Attached herewith is the provisional program for your reference. You may register at bit.ly/hearinghealth2022.

You may also watch the live broadcast on the NAST PHL Facebook Page <https://www.facebook.com/nastphl>.

Should you have questions or clarifications, please email us at advisory@nast.dost.gov.ph or call us at (02) 8837-20-71 loc. 2170.

Thank you and stay safe.
