REGIONAL MEMORANDUM

No. **103**, s. 2022

FISHERIES SCHOLARSHIP PROGRAM (FSP)

To: Schools Division Superintendents
All Others Concerned

1. Attached is a communication from Dr. Juan D. Albaladejo, Regional Director, Bureau of Fisheries and Aquatic Resources, this Region, requesting for permission to post tarpaulins in the different schools and to distribute educational materials on the 2022 Fisheries Scholarship Program (FSP) for Senior High School graduating students.
2. Further request is made that they be invited during career orientations in schools.
3. All Schools Division Superintendents through the School Governance and Operations Division (SGOD) Chiefs and the Youth Formation Coordinators (YFC) are requested to act favorably to this request to provide opportunities to our graduating students.
4. For further queries relative to this scholarship program, the contact data of the persons in-charge are indicated in the communication. In this Region, queries may be addressed to Ms. Eden A. Dadap at mobile number 09126063544.
5. Immediate dissemination of and compliance with this Memorandum are desired.

EVELYN R. FETALVERO, CESO IV

Dear Ma'am;

In line with the Bureau's vision to produce young capable minds that will lead the fisheries sector towards a productive and sustainable future, the **Fisheries Scholarship Program (FSP)** continues its implementation in hopes of attaining this goal. Thus, for the current year the Bureau wishes to encourage more senior high school graduating students to take part in the program and, in doing so, we would like to request your assistance on our information drive.

With regards to this, BFAR8 will be asking for your permission to post tarpaulins in the different schools of the region and, also, in the distribution of educational materials regarding the scholarship program. Thus, we would like to know the quantity of tarpaulins and IEC materials that we will be producing to aid in this information campaign.

Moreover, it will be our pleasure if you could invite us in the career orientations of graduating senior high school students so we could disseminate information to these students and, hopefully, accord the opportunity to those who would like to form part of the industry.

For future coordination, please don't hesitate to contact our Fisheries Scholarship coordinator or our Information, Education, and Communication (IEC) Unit at nos. 0915-752-3998/0970-450-8876 or send an email to bfarreight@yahoo.com.

We will be awaiting your response, until then, we thank you in advance for your continued support in the endeavors of the Bureau towards a food-secured Nation with prosperous farmers and fisherfolk.

Very truly yours,

DR. JUAN D. ALBALADEJO
Regional Director
