Dear Ma'am,

Greetings of Peace and Good Health!

The Bureau of Fire Protection is a national government agency mandated to prevent and suppress destructive fires. Lectures and seminars are among the effective ways to disseminate fire prevention awareness. With the current pandemic, face-to-face seminars and fire drills were suspended prompting the BFP National Headquarters to come up with an innovative approach through the implementation of the Modified Oplan Ligtas na Pamayanan New Normal.

One of the activities of this modified OLP Program is the **Oplan Ligtas na Pamayanan Online or OLP Online** which utilizes the popular social media platform of Facebook Live to be able to continue the dissemination of fire safety and prevention awareness to the community. The BFP Regional Office 8 with its localized OLP Online Program "**Bumbero Ha Otso**" aims to reach more individuals through collaboration with other government agencies.

In connection to this, we respectfully invite your good office and your schools regionwide to view our OLP Online **Bumbero Ha Otso Season 2 Episode 6** with the theme "**Mainit, 'wag mag init!**" which will be live streamed at the **BFP R8 Community Relations Section** FB Page on **March 22, 2022 at 02:00 PM** through the link <https://fb.me/e/2d8VBJ8CY>.

Should you have any question or clarifications, please contact the Regional Community Relations Section through mobile numbers **0955-752-4743** or send an e-mail at [crs.bfpr8@gmail.com](mailto:crs.bfpr8@gmail.com).

We are looking forward to a fruitful partnership and cooperation with you.

Truly yours,
