**TITLE** : **EVALUATION & RECOMMENDATION FOR THE RE-ESTABLISHMENT OF NAG-UMA ELEMENTARY SCHOOL, BARANGAY NAG-UMA, CALBAYOG CITY, WESTERN SAMAR**

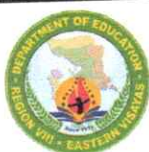

---

**BACKGROUND**

Barangay Nag-Uma is one of the farthest hinterland barangays of Calbayog City, Western Samar. The place is accessible to motorcycle transportation known as "habal-habal" crossing several rivers for one (1) hour and six (6) hours for hiking adjoining limestone hill all the way to the barangay. The common source of livelihood of the residents is through coconut farming.

The said barangay has an existing complete elementary school named Nag-Uma Elementary School with a land area of 10,000 sq.m. The school was established in the year 2016 but unfortunately it was closed for 5 years due to peace and order problem that triggered the inhabitants to transfer to other places. Even the teachers assigned to the above-mentioned school requested to transfer because their security was at stake. Learners were advised to transfer to the other schools which are quite far from their barangay.

In May 8, 2021, the Sangguniang Panglungsod passed a Resolution No. 2021-08-085 expressing the support and indorsing the re-opening of Nag-Uma Elementary School as this place is already declared as "Manageable Conflict Affected and Development Ready". This gave way to encouraged the people of barangay Nag-Uma to request the DepEd authorities for the re-opening of Nag-Uma Elementary School.

Furthermore, the parents and the barangay folks of Nag-Uma dreamed that re-opening of the elementary school would be of great help to them because it lessens their burden in supporting the financial aspect of the learners who studied very far from the place where they lived. In addition, learners will no longer need to hike for more than 6 hours and crossed rivers just to attend classes in the other schools.

In view thereof, parents, barangay officials of Bgy. Nag-Uma and the municipal officials of Calbayog City, Western Samar supported by the Local Chief Executive expressed their full support for the re-opening of Nag-Uma ES with the hope that financial burden among parents may be lessen and high participation rate may be assured.

Moreover, the Schools Division Superintendent of Calbayog City Division intensely expressed her support to the proposed re-opening of the said school initiated by the concerned parents and local officials to ensure that all school-aged children in the community will have access to basic education and to possibly lessen the financial burden of parents in sending their children to school. Thus, re-opening of Nag-Uma Elementary School in Barangay Nag-Uma, Calbayog City, Western Samar be endorsed by the Division of Calbayog City to the Regional Office is deemed necessary.

#### **FINDINGS:**

1. Nag-Uma Elementary School was established in the year 2016 but unfortunately it was closed for 5 years due to peace and order problem that triggered the inhabitants to transfer to other places.
2. Nag-Uma ES has a total land area of 10,000 sq.m. which has enough buildable space even for expansion to Junior High School. The school site is free from flooding and landslide based on the certification issued by the Mines and Geo Science Bureau.
3. The LGU through its Sangguniang Panglungsod strongly expressed its full support to the school and commits to allocate additional budget for the re-establishment of Nag-Uma through a Resolution No. 2021-08-085.

4. The Schools Division Office represented by the Assistant Schools Division Superintendent, the assigned District Supervisor, the Schools Division Engineer, M & E SEPS, Education Program Supervisor, and SGOD Chief in Calbayog City Division and the different stakeholders present during the virtual validation on schools' application conducted by the DepEd Regional Inspectorate Team also expressed their willingness and full support for the conversion of the school during the Focused Group Discussion (FGD).

5. Nag-Uma ES has an existing two (2) newly repaired classrooms.

6. The proposed school received support from the Local Government of Calbayog City and other stakeholders while the inclusion of the school in the GAA of DepEd is on process.

7. Schools Division Office of Calbayog City through its assigned District-In-Charge extended his support as to provision of technical assistance for the school management, supervision and other needs especially to teachers.

#### **RECOMMENDATIONS:**

In view of the foregoing evaluation and findings, the evaluators respectfully recommend that:

1. The school shall be re-established in the named of **Nag-Uma Elementary School** and is authorized to operate effective School Year 2022 – 2023.
2. The school shall implement K to 12 Basic Education Curriculum.
3. School operation shall be on a gradual basis which may progress to the next grade levels in the succeeding years pending upon the availability of classroom/s and teacher/s.
4. The proposed school head of Nag-Uma Elementary School with the assistance of the District Supervisor and the Municipal Engineer shall revisit and redesign the school development plan for use of available buildable spaces at the site in preparation for the construction of buildings.
5. The LGU, both the Barangay and Municipal levels, and the parents shall provide financial support to the school until such time that operations will be covered by the DepEd Budget.

6. The Schools Division Superintendent shall provide teachers trained on the K to 12 Curriculum and consider additional regular teachers to this school to complete the number of teachers required to operate the integrated school.

7. The Schools Division Superintendent likewise shall initiate for the provision of school buildings, chairs, textbooks, and other resources to the school.
