SUBJECT : Request for Assistance in Identifying, Coordinating, Nominating, and
Supporting Learners to Participate in the Online Consultation Meeting on
the Revised Strategic Communications Plan of the Child Rights in
Education Desk (CREDe)

DATE : March 31, 2022

This has reference to the conduct of an online Focus Group Discussion (FGD) on the revised Strategic Communications Plan of the Child Rights in Education Desk (CREDe) under the Office of the Undersecretary for Legal Affairs.

It will be recalled that last October 18, 2021 (originally scheduled on October 14, 2021 as per DM-LA-2021-0262), CREDe conducted an online consultation with learners for the development of the Strategic Plan of CREDe for 2022-2027, and this Office would like to convey its utmost gratitude for the active participation of the learners and the representatives of your Office in the consultation.

To facilitate the implementation of the Strategic Plan, CREDe also developed a Strategic Communications Plan (SCP) with the goal of promoting and strengthening adherence of the Department of Education (DepEd) to rights-based education. The SCP contains strategies and activities at the national and local offices of DepEd, and more importantly, in schools and learning centers where children experience their rights.

The SCP was developed in consultation with representatives from DepEd offices at various governance levels and external partners. To ensure that the views and inputs of learners are considered, in line with upholding their right to participation on matters affecting them, the CREDe would like to conduct a Focus Group Discussion (FGD) with learners.

In view of the foregoing, this Office requests for your assistance in identifying, coordinating and nominating a total of **seventeen (17) to twenty-five (25) students/learners, from the 17 regions** in the country, preferably the same participants who attended the first online consultative meeting last October 18, 2021, to participate in the FGD on **April 7, 2022, from 9:00 to 11:00 am**, and share their insights and comments on the SCP of CREDe. It is requested that the learners identified have different backgrounds, i.e., learners from urban and rural schools, big and small schools, learners of varying ages in junior and senior high schools, Muslim learners, learners from indigenous communities, and learners with disability, among others. The identified learners are encouraged to also gather and share the views of their fellow learners to promote inclusivity in the SCP.

Accordingly, we have attached the list of participants who attended the online consultation last October 18, 2021. We have also sent this list to Mrs. Clarence Sarmiento-Canton of the Youth Formation Division (YFD) as advance coordination. In addition, we kindly request that your Office provide us with the names of confirmed learners, along with the consent of their parents, guardians, and teachers on or before **April 6, 2022** through Ms. Bernice Gorio of CREDe via email at bernice.gorio@deped.gov.ph (cc: childrights@deped.gov.ph). We also would like to request for two representatives from the YFD to assist during the consultation with learners.

The meeting link and the Google Form links for the learners' registration to the online consultation will be sent to the learners and YFD representatives upon confirmation of their participation. Other concerns and questions may be coursed through the above email addresses. We will also send the guide questions for the learner participants for your inputs as well as the revised Strategic Communications Plan of CREDe in Powerpoint format for the guide of the learners.

Once again, CREDe would like to thank YFD for its significant contribution to the promotion of child rights in education and we hope that you will remain steadfast in your support. Together with us in CREDe, let us work hand in hand to respect, protect, fulfill, and promote the rights of the child in education.
