OFFICE MEMORANDUM

No. **316**, s. 2022

To: Schools Division Superintendents } Divisions of Leyte, Northern Samar, & Samar
All Others Concerned

CONDUCT OF LAST MILE TARGET FOR COVID-19 VACCINATION

1. Attached is a communication from Exuperia B. Sabalberino, MD, MPH, CESe of Department of Health-Eastern Visayas Center for Health Development, inviting the COVID-19 Vaccination Focal Persons of the Region and Divisions of Leyte, Northern Samar and Samar to attend a meeting on June 8, 2022 in Tacloban City.
2. Other information relative to the above subject is stipulated in the attached DOH Memo.
3. Travel and other incidental expenses of the participants shall be charged to their respective local funds, subject to usual government accounting and auditing rules and regulations.
4. Immediate dissemination of and compliance with this Memorandum are desired.

Department of Education Regional Office VIII
Government Center, Palo, Leyte

Attention: MANUEL P. ALBAÑO, PhD, CESO V
Schools Division Superintendent
Department of Education, Schools Division of Leyte

Dear Director Fetalvero:

Warm Greetings!

The Department of Health Center for Health Development- Eastern Visayas (DOH-EV CHD) is grateful for the support and efforts of the Department of Education (DepEd) in COVID-19 pandemic response and in implementing the COVID-19 Vaccine Deployment and Vaccination Program. As the co-lead agency in COVID-19 Vaccine Deployment and vaccination Program, the Department follows the objectives and goals of the National Government to vaccinate 77 million Filipinos by the end of June. In our last mile of reaching the target for COVID-19 vaccination, the region has to focus all efforts on the remaining unvaccinated specially ages 5-17 years old. In line with this, the office believes that the Department of Education has the capacity to have an effect in changing the attitude and behavior of the remaining unvaccinated students and student's parents towards covid vaccination, thus having a great impact in the accomplishment of the Region's vaccination coverage.

As the country now opens the economic sector and face-face classes, the region is also gearing towards attaining herd immunity which we can only achieve by widening our vaccination coverage from as early as five years old. Community engagement bears much importance in ensuring the protection of all people through vaccination.

In this regard, we kindly ask your presence or a representative from the DepEd Regional office and the Division Superintendent of the Provinces of Samar, North Samar and Leyte or their representative for a meeting on June 8, 2022, Wednesday at 9:00 in the morning until 5:00 in the afternoon in Tacloban City. The exact venue will be announced later. This will help our Municipal Health Officers, Provincial Department of Health Officers, and Department of Health Special team to strategize/re-strategize to ramp up COVID-19 vaccination in the last mile of COVID-19 Vaccination. Venue, meals and accommodation will be covered by the office while per diems and travel expenses will be charged to the sending office.

For any queries, you may contact Edalene Desiree B. Princillo, Nurse I at 0905-504-2964.

Hoping for your favorable response. Thank you very much and keep safe!

Very truly yours,

EXUPERIA B. SIBALBERINO, MD, MPH, CEsE
