ATTENTION TO: Mr. Harvie Villamor, Chief Curriculum & Learning Management Division

Dear Director Fetalvero,

Greetings from Plan International!

Our sincerest gratitude for the support Department of Education Region VIII has provided in the implementation of the Safe Schools 3 project.

In line with Risk Reduction and Resilience Education Pillar of the Comprehensive School Safety Framework and in support to DepEd's Learning Continuity, the Safe Schools project has enhanced Self-Learning Modules (SLMs) to integrate disaster risk management, climate change adaptation, school safety concepts and pandemic preparedness key messages. A total of 73 SLMs from Grade 1 –9 under 4 subjects - English, Math, Social Studies and Science were enhanced following the prescribed Alternative Delivery Mode (ADM) format and aligned with the DepEd's Most Essential Learning Competencies (MELC).

In partnership with the DepEd Region VIII Curriculum and Learning Management Division (CLMD) and Disaster Risk Reduction and Management Services (DRRMS) led by the Climate Change Adaptation and Mitigation (CCAM) team, series of reviews, validation sessions and enhancements were conducted to ensure that content, graphics and citations of the learning materials are appropriate and aligned with current standards and requirements.

As we approach the last stretch of the enhancements, we are inviting your office, CLMD and the teacher-authors to participate in another in-person **Quality Assurance and Finalization of the Self-Learning Module Workshop** on **6-8 July 2022 in Tacloban City** (specific venue to be determined). We will be joined by Plan Safe Schools project team and the consulting team to assist in the finalization process. We encourage the participants to bring their laptops so we can work on QA and revisions simultaneously. For health safety, we will be requiring all participants to be fully vaccinated (had 2 doses and 1 booster shot for at least 2 weeks prior to the activity).

For confirmation of attendance, kindly fill in your information in our pre-registration link: <https://bit.ly/3HvfcPT>. For any concerns/clarifications, kindly contact Joice Balicog, our Project Officer through her mobile number 09754794957, or email her at Joiceann.Balicog@plan-international.org.

Thank you very much and looking forward to your favorable response on this matter.

Sincerely,

Candice Elaine Bismonte
