Dear Dr. Fetalvero,

Warmest greetings!

The Metro Ormoc Community Multi-Purpose Cooperative (OCCCI) will be launching the OCCCI D-League Inter-School Basketball Tournament. It is our vision to become a pioneering Sports Development Cooperative in the Visayas by 2032. The Cooperative is dedicated to promoting sports discipline among the community's youth and bringing sporting opportunities to the region at the grassroots level.

OCCCI utilizes basketball as one of the major platforms to respond to our mission in:

- I. Providing innovative sports programs and services.
- II. Promoting a healthy lifestyle and safe environment.
- III. Fostering social interaction, teamwork, and camaraderie.
- IV. Developing future leaders and productive members of society.

This month-long basketball tournament for elementary, high school, and college students intends to start on December 18, 2022 and will be played every Saturday, Sunday, and some weekdays as long as it does not interfere with their classes such as but not limited to holidays, Christmas break, and semestral break.

In light of this, we would like to request your support and permission to visit the region's different educational institutions to promote our basketball tournament. Your favorable response would be beneficial in providing our promising young athletes with the opportunity to showcase their skills and hopefully be discovered at the national level in the future.

Thank you so much for considering our request. We look forward to hearing from you and working together in "Nurturing the Dreams" of these student-athletes.

Very truly yours,

JOHN CARLO C. SANO
