SUBJECT : **JUSTIFICATION FOR TEACHERS' PARTICIPATION IN THE WRITESHOP ON THE DEVELOPMENT OF GUIDELINES AND STANDARDS OF TVL MULTIMEDIA - MICROLEARNING RESOURCES**

DATE : **October 24, 2022**

The technology and Vocational Livelihood (TVL) learning area is a specialized track in the K to 12 Curriculum that has eight (8) printed LRs out of eighty-six (86) titles. Since most are process and skill-oriented learning content with few enrollees, previous Textbook Calls were not successful due to failed bids.

Hence, this Bureau considers the development of TVL multimedia-microlearning LRs accessible on multiple devices and platforms and delivered in a small chunk of video lectures that supplement blended learning and the 4th Industrial Revolution.

Given this, the primordial concern is crafting guidelines and standards for developing multimedia-microlearning resources.

The crafting of the said guidelines and standard would need the experience and expertise of DepEd Personnel, especially those public school teachers tapped into the development and production of learning resources for DepEd TV. To maximize their training, knowledge, skills, and competencies in video production, scriptwriting, and storyboarding, they are included in the list of participants since they can provide valuable input.

Hence, this Office is seeking approval for the participation of the following personnel from **December 5 to 9, 2022** to assist BLR in crafting the guidelines and standards

BLRPD-22-10-120

for the development of multimedia-Microlearning Resources for Technical-Vocational and Livelihood track:
