Dear Dr. Fetalvero:

Greetings from the Aloysian Professional Community!

In celebration of the 2022 WORLD TEACHERS DAY, among other things, **THE ALOYSIAN PUBLICATIONS-Philippines in partnership with BETMA ENGLISH-Vietnam** spearheaded the **2022 International Demonstration Teaching Showcase** with the theme, *"Upskilling Teachers' Competency in the 21st Century"* held last September 23-25, October 1-2 and October 8-9, 2022 via Zoom Cloud Meetings.

This global undertaking was designed to:

1. To showcase the teachers' pedagogical content knowledge and approaches -- the ability to select, structure, and deliver complicated content.
2. To prove that teachers can create and follow a lesson plan and can engage and interact with students to enhance teaching-learning dynamics as they share their best practices for benchmarking goals.
3. To conform with and to support the implementation of DepEd Order No. 7, S. 2015, the 2022 DepEd Expanded Career Progression System, and Development of Video Demonstration Recordings (VDR).

**ALOYSIAN PUBLICATIONS** has established its partnership with the Department of Education as an advocate for teachers' professional growth with its **EDUCATORS' LINK**, a national and international monthly professional magazine for teachers which provides teachers an opportunity to publish literary, journalistic, science, and research articles in a fine-printed monthly magazine. As a pro-teacher advocate, the publication also allows teachers to meet promotion requirements promulgated under DepEd Order No. 66 s. 2007 also known as the Revised Guidelines on the Appointment and Promotion of Other Teaching, Related Teaching, and other Non-Teaching Positions, and now the 2022 DepEd Expanded Career Progression System.

This publication is duly recognized by the Department of Education, National Library of the Philippines with ISSN: 2782-859X, National Press Club of the Philippines, Professional Regulations Commission (PRC) with CPD Accreditation No. PTR-2021-334, and other government and non-government agencies.
