DATE : FEB 09 2023

To support the efforts of the DepEd field offices in securing absolute ownership of untitled school sites, the Legal and Legislative Affairs (LLA), through the Sites Titling Office (STO), will be providing financial assistance to Schools Division Offices (SDOs) with school sites needing funds for survey and titling.

In preparation for the downloading of funds for surveying, titling of school sites, and registration of approved Special Patents, and in order to determine the amount that will be downloaded to SDOs, the request for funds must be submitted by SDOs through their respective Regional Offices (ROs) to LLA **on or before March 15, 2023.**

The SDOs are reminded that their respective requests should be ready for implementation this year taking into consideration the validity of the funds to be downloaded. Thus, the SDOs, with the assistance of the school heads, are directed to conduct an inventory of public elementary and secondary school sites within its area of jurisdiction needing surveying and titling, including school sites with approved Special Patents transmitted to the Registry of Deeds (RoD) for registration. The SDOs, with the assistance of the concerned school heads, are advised to do the following prior to submission of the fund requests:

1. Identify school sites needing segregation/subdivision survey and titling with complete documents;
2. Coordinate with the concerned RoD to identify the requirements and the cost for the transfer of title to determine the amount for transfer of title as basis for the request for funds;

3. Coordinate with the Department of Environment and Natural Resources-Community Environment and Natural Resources Office (DENR-CENRO) to determine the requirements and the cost for the conduct of survey of the concerned school sites. If DENR-CENRO cannot conduct the survey, the SDOs are advised to inquire the cost of the survey in their area as basis for the amount to be requested for surveying; and
4. Coordinate with the DENR-Provincial Environment and Natural Resources Office (PENRO) for the list of approved Special Patents issued to public school sites that have been transmitted to RoD for registration. Likewise, confirm with DENR-PENRO, the said list together with a request on the corresponding amount to be paid for registration.

The funds to be requested by the SDOs should cover the costs for titling, surveying, registration of approved Special Patents, and incidental expenses such as transportation expenses. The fund request shall be supported by a Complete Staff Work with basis of the amount being requested.

Attached hereto is the template to be used by ROs and SDOs in the submission of its respective fund requests for survey and titling of school sites, and registration of approved Special Patents transmitted to RoD.
