**REGIONAL MEMORANDUM**

No. **274**, s. 2023

**UPDATES ON THE TRAINING EDUCATORS AND ADMINISTRATORS FOR A COLLECTIVE HEADWAY TOWARDS VOLCANO, EARTHQUAKE, AND TSUNAMI DISASTER RISK REDUCTION (TEACH VETDRR)**

To: Schools Division Superintendents  
All Others Concerned

1. In line with the joint program of this Office and the Department of Science and Technology – Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), the following are the updates on the Training Educators and Administrators for a Collective Headway towards Volcano, Earthquake, and Tsunami Disaster Risk Reduction (TEACH VETDRR):

- a) The activity, dubbed as “Training on Communicating Volcano, Earthquake, and Tsunami Hazards for Education Program Specialists / Supervisors for Science”, will be conducted on April 18 – 20, 2023 at Mezzo Hotel, Cebu City.
- b) The participants from this region were identified through the attached Regional Memorandum No. 176, s. 2023.
- c) It is highly encouraged that participants will bring laptops. Likewise, they are to accomplish the pre-training form on or before March 31, 2023 accessible at <https://forms.gle/ehiVoVH9hTgcwJ1z9>.
- d) For queries and concerns relative to the training refer to the attachments. Ms. Fatima Moncada of DOST-PHIVOLCS can also be reached at [fatima.moncada@phivolcs.dost.gov.ph](mailto:fatima.moncada@phivolcs.dost.gov.ph).
- e) The expenses relative to the accommodation on April 17 - 19, 2023 (3 nights), venue and meals (from dinner of Day 0 to afternoon snacks of Day 3) for the duration of training, and the training materials will be charged to the DOST-PHIVOLCS fund.
- f) The travelling, accommodation (beyond what is stated above), and other incidental expenses incurred by the participants shall be charged against their respective local funds subject to the usual accounting and auditing rules and regulations.

2. Immediate dissemination of and compliance with this Memorandum are desired.

Dear Director Fetalvero:

Thank you very much for accommodating our proposed “Training on Communicating Volcano, Earthquake, and Tsunami Hazards for Education Program Specialists/Supervisors for Science” through the coordination meeting with Mr. Ryan Tiu on March 6, 2023. As mentioned in our earlier communication, the activity aims to train all Division EPS for Science from Visayas on the science of volcanic eruption, earthquake, and tsunami; how to mitigate their impacts; how to access DOST-PHIVOLCS information materials, tools, and innovations; and how to communicate this information to students.

The training will be conducted on **April 17 to 20, 2023**, in a face-to-face mode, in **Cebu City**. We encourage all EPS for Science from the Schools Division Offices (SDOs) in Regions VI, VII, and VIII to participate. In case that the EPS is not available to attend, please inform the DOST-PHIVOLCS secretariat ahead of time regarding the alternative participant/s. We are also inviting one representative from the Regional Office. Each participant is expected to attend the whole duration of the activity.

We will provide the accommodation for April 17 to 19 (3 nights), venue and meals for the duration of the training, as well as the training materials. No registration fee will be collected. However, we request that any additional cost for accommodation beyond what is stated, and the transportation cost going to and from the venue, be covered by DepEd as deemed fit and within the allowable limits.

For questions or concerns, you may contact Ms. Fatima M. Moncada (+632-8927-4524; [fatima.moncada@phivolcs.dost.gov.ph](mailto:fatima.moncada@phivolcs.dost.gov.ph)).

We look forward to your support and cooperation. Thank you very much.

Very truly yours,

**Training on Communicating Volcano, Earthquake, and Tsunami Hazards for  
Education Program Specialists/Supervisors for Science**  
April 18 to 20, 2023

Dear Participant,

Welcome to the DOST-PHIVOLCS "Training on Communicating Volcano, Earthquake, and Tsunami Hazards for Education Program Specialists/Supervisors."

This training course will be conducted using a face-to-face approach. To have a smooth conduct of the program, please be guided by the following:

**PRE-TRAINING FORM**

Kindly accomplish this form before March 31, 2023:

- Participant Profile Form - <https://forms.gle/ehiVoVH9hTgcwJ1z9>

No need to answer the form again if you have already completed it.

**TRAINING BACKGROUND**

The training is designed to capacitate Education Program Specialists/Supervisors for Science on volcano, earthquake, and tsunami and their hazards. It also covers basic information on the legal bases of disaster risk reduction and management, as well as in-depth discussions of the science behind volcano, earthquake, and tsunami.

Specifically, the training aims to capacitate the participants about the basic information on volcano, earthquake, and tsunami hazards; disaster mitigation; and how to translate this information into action plans.

The target participants are Education Program Specialists/Supervisors for Science from the Schools Division Offices in Visayas.

**SCHEDULE**

The training program will run from **April 18 to 20, 2023**. The event is a "**stay-in training**" with the following check-in and check-out schedule:

Expected check-in: **April 17, 2023**, Monday 2:00 PM

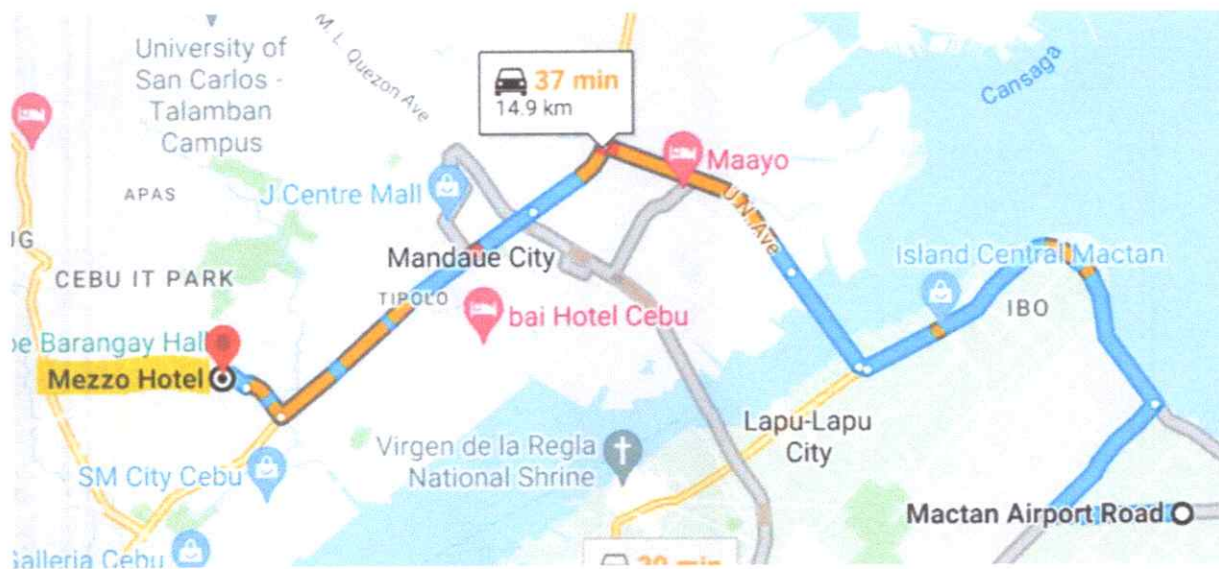

Expected check-out: **April 20, 2023**, Thursday 12:00 PM

Accommodation and meals for the abovementioned dates will be provided by DOST-PHIVOLCS. Any costs incurred outside of the indicated provisions will not be shouldered by DOST-PHIVOLCS.

The program of activities is attached in this letter. Kindly check with your Region or Division Office if your participation is covered by a memorandum or special order, if applicable.

### VENUE

The training will be conducted at **Mezzo Hotel in Cebu City**. A vicinity map is provided below:

For questions or concerns, please contact Ms. Fatima Moncada of DOST-PHIVOLCS at [fatima.moncada@phivolcs.dost.gov.ph](mailto:fatima.moncada@phivolcs.dost.gov.ph) or via SMS at 0927-370-6452.

Thank you and see you soon!

Very truly yours,

**REGIONAL MEMORANDUM**

No. **176**, s. 2023

**REGION VIII PARTICIPANTS TO THE TRAINING EDUCATORS AND ADMINISTRATORS FOR A COLLECTIVE HEADWAY TOWARDS VOLCANO, EARTHQUAKE, AND TSUNAMI DISASTER RISK REDUCTION (TEACH VETDRR)**

To: Schools Division Superintendents  
 All Others Concerned

1. Relative to the attached invitation letter from the Department of Science and Technology – Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), this Office announces the identified DepEd Region VIII participants to the Training Educators and Administrators for a Collective Headway towards Volcano, Earthquake, and Tsunami (TEACH VETDRR) on April 18 – 20, 2023 within Cebu Province.
2. The official participants to this activity are the identified regional and division Science Education Program Supervisors, school heads, and DRRM Coordinators. The complete list of the participants is attached herewith.
3. The expenses incurred relative to this activity such as board and lodging shall be charged against DOST-PHIVOLCS fund, while the travelling and incidental expenses incurred by the participants shall be charged against their respective local funds subject to the usual accounting and auditing rules and regulations.
4. Immediate dissemination of and compliance with this Memorandum are desired.

**DR. EVELYN R. FETALVERO, CESO IV**  
Regional Director, DepEd Region VIII  
Candahug, Palo, Leyte  
region8@deped.gov.ph

Dear **Director Fetalvero**:

The Department of Science and Technology - Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS) is glad to inform you of its annual capacity development project for the Department of Education (DepEd). The project, titled **"TEACH VETDRR - Training Educators and Administrators for a Collective Headway towards Volcano, Earthquake, and Tsunami Disaster Risk Reduction,"** aims to capacitate DepEd teaching and non-teaching staff towards geologic disaster awareness and preparedness. The project is proposed and programmed every year, with established target areas.

For 2023, we are inviting one (1) participant from each Schools Division Office (SDO) in Visayas for the **"Training on Communicating Volcano, Earthquake, and Tsunami Hazards for Education Program Specialists/Supervisors for Science."** The activity aims to train selected Division EPS on the science of volcanic eruption, earthquake, and tsunami; how to mitigate their impacts; how to access DOST-PHIVOLCS information materials, tools, and innovations; and how to communicate this information to students.

The training is proposed to be done on April 18 to 20, 2023, in a face-to-face mode, within Cebu Province. We encourage equal number of women and men participants and each participant is expected to attend the whole duration of the activity. We will provide the full board accommodation for 3 days and 2 nights and the training materials. No registration fee will be collected.

In this regard, we would like to invite you or your nominated point person to **attend a pre-training meeting via video teleconferencing (VTC) together with DepEd Regions VI and VII on March 6, 2023.** Our contact person for this activity is Ms. Fatima M. Moncada (+632-8927-4524; [fatima.moncada@phivolcs.dost.gov.ph](mailto:fatima.moncada@phivolcs.dost.gov.ph)).

We look forward to your support and cooperation. Thank you very much.

Very truly yours,

**TERESITO C. BACOLCOL**  
Director, DOST-PHIVOLCS
