Evelyn R. Fetalvero
Regional Director
Region VIII
Department of Education

Dear Dir. Fetalvero,

Greetings of Peace and Good Health!

We the member of the Association for Living Values Education International (ALIVE), Under the oversight of the non-profit Swiss-registered Association for Living Values Education International, Living Values Education (LVE) is a way of conceptualizing education that promotes the development of values-based learning communities and places the search for meaning and purpose at the heart of education. LVE emphasizes the worth and integrity of each person involved in the provision. Our mission is to support teachers, facilitators, parents, and others who desire to place and keep values at the heart of education, work, and daily life.

With this, we would like to invite the Department of Education ESP/Values Teachers to an Online Distance Course/Training to enhance, appreciate and orient themselves to the different values in life, community, and in the school setting thus promoting a values-based atmosphere in the classroom. All materials are provided at no cost and are self-paced thus classes will not be distracted. This Course, being undertaken by many in several countries, can be done quite simply over 12 weeks with only a few hours each weekend. Furthermore, we provide an LVE mentor to review their submissions and who will endorse their accreditation. Similarly, this is also a response to Republic Act 11476 also known as Good Manners and Right Conduct (GMRC) and Values Education as core subjects in the K to 12 curriculum both in public and private schools which mandates appropriate training for teachers and educators on GMRC and Values Education, as well as to provide them with adequate and relevant instructional materials to develop their capacity to teach the subject

Attached herewith is our Brochure for reference. Thank you and hope to hear from you soon together we will nurture the heart and educate our students in living the different values in life.
