SUBJECT: Proposed Webinar for Psycho Spiritual Processing for Stress & Trauma

Dear Ma'am,

We are the **COUPLES FOR CHRIST- ORDER OF ST. MICHAEL (CFC OSM)**. Our charism is an **Interfaith Character Enhancement Program** that we are currently giving to the entire uniformed sector of our society and to all government employees. We have developed a module which deals with stresses and trauma and we feel helpful not just for the uniformed men and women but also useful and applicable to teachers and guidance counselors dealing with students suffering from stresses.

We have just successfully given this program last Friday to Ormoc Schools Division. Late last year this program was also implemented at DepEd City Division in Zamboanga City. Moreover, we have also given this program to the youths in Singapore and in Kota Kinabatu in Malaysia. Our counterparts in those countries aim to help abate the rising incidence of suicide among their youths. We feel that your medical staff, teachers and guidance counselor in your area of responsibility deserves to benefit from this program.

Although we are a Catholic Lay Community, this program is an interfaith program thus, your employees from other Christian denominations and other religions affiliations can freely join. Rest assured that we will respect their religious freedom and we refrain from proselytizing them.

We are willing to schedule an audience with you at your most convenient time for us to further explain the program.

Hoping and praying for your approval and eventual implementation of this program in your area of jurisdiction. We look forward to forge a partnership or have a MOA with your office and allow us to offer our **FREE** service to the educators, medical staff, guidance counselors and non teaching employees of DepEd in the region.

For God and Country,

ROLANDO P. SARVIDA
CFC-OSM Regional Coordinator
