**Department of Education**  
REGION VIII - EASTERN VISAYAS

June 01, 2023

**REGIONAL MEMORANDUM**

No. **515** 2023

**CONDUCT OF 2023 REGIONAL CLIMATE CHANGE CARAVAN**

To: Schools Division Superintendents  
Division DRRM Coordinators  
All Others Concerned

1. In line with the Department of Education's (DepEd) unwavering commitment to environmental stewardship and raising awareness about climate change, the DepEd Regional Office VIII is proud to announce the upcoming 2023 Regional Climate Change Caravan. With the theme "Journey Towards a Sustainable Future," this significant event is scheduled to take place from July 26 to 28, 2023, at the RELC NEAP - Training Hall, situated within the DepEd Regional Office Complex.

2. The primary objective of this activity is to foster a deep sense of awareness and comprehension regarding climate change among learners, education personnel, and the communities in which our learning institutions are situated. By promoting knowledge and understanding, we aim to empower individuals to become active participants in addressing the challenges posed by climate change. Through meaningful engagement and collaborative efforts, we strive to create a collective consciousness that drives sustainable action and ensures a better future for generations to come.

3. The participants in this training are the following:

Participants	Number of Pax
Division DRRM Coordinator	13
Division Office Personnel *driver	13
CCAM Quiz Bee	13
Poster-Making Contestant	13
The Climate Reality Project Speaker	1
Regional DRRM Coordinator	1
SPPS Unit Head	1
ESSD Chief	1
ESSD Staff (TWG)	5
Total	61

4. The expenses for meals, venue rental, and other related expenditures shall be charged against the CY 2023 Disaster Preparedness and Response Program (DPRP)

Address: Government Center, Candahug, Palo, Leyte  
Telephone Nos.: (053) 832-5738  
Email Address: region8@deped.gov.ph  
Website: <https://region8.deped.gov.ph>

Funds. Meanwhile, the travel expenses and per diem of the participants shall be charged against their respective local funds, subject to the existing accounting and auditing rules and regulations.

5. Immediate dissemination of and compliance with this Memorandum are desired.

  
**EVELYN R. FETALVERO, CESO III**

## MECHANICS FOR POSTER-MAKING CONTEST

### I. Participants

The Regional Climate Change Caravan Poster-Making Contest aims to raise awareness about climate change and its impact on our planet. The creative posters will serve as powerful tools to inspire and educate others about the urgency of addressing this global issue.

The Division Offices are given the discretion to select (1) participant for the Poster-Making Contest to represent their Division.

The theme of the poster-making contest is "Regional Climate Change Caravan 2023: Journey Towards a Sustainable Future." The posters should reflect the concept of a collective effort to combat climate change and promote sustainable practices.

### II. Dates

The contest will be conducted on day two of the caravan, July 27, 2023, from 1:00-2:00 in the afternoon at RELC NEAP - Training Hall. Adjudication of entries and the announcement of winners will be held on the same day.

### III. Poster-Making Contest Guidelines

1. Maximize the limited funds allotted for this activity the coach of all participants is the Division DRRM Coordinator. Participants may submit only one entry per person.
2. For the poster specifications:
  - a. **Size:** posters should be created on 20"x30" illustration board which will serve as their canvas which will be provided by the organizer.
  - b. **Orientation:** Only portrait orientation is acceptable.
  - c. **Medium:** The participants should bring and provide their own drawing and coloring materials such as crayons, oil pastels, coloring pencils, watercolor, poster paints, markers, or any medium for creating their posters.
3. Content Guidelines:
  - a. The poster should creatively express the theme "**Regional Climate Change Caravan 2023: Journey Towards a Sustainable Future.**"
  - b. Focus on highlighting the impacts of climate change and the importance of sustainable practices, such as renewable energy, reducing carbon emissions, preserving biodiversity, and adopting eco-friendly lifestyles.
  - c. Use imagery, symbols, and colors that convey a sense of urgency, hope and the need for action.
  - d. Avoid any content that may be offensive, discriminatory, or inappropriate.
4. After the announcement of the central theme of the contest, the participants are given five minutes to consult with the coaches. After that, the participants are given two hours to work on their entries. No more coach interference is allowed during this period.
5. Judging Criteria:
  - a. **Creativity and Originality:** The uniqueness and innovative approach in conveying the message.

**Address:** Government Center, Candahug, Palo, Leyte

**Telephone Nos.:** (053) 832-5738

**Email Address:** region8@deped.gov.ph

**Website:** <https://region8.deped.gov.ph>

- b. **Visual Impact:** The overall visual appeal, use of color, composition, and clarity.
- c. **Relevance to the Theme:** How well the poster aligns with the contest theme and conveys the urgency of addressing climate change.
- d. **Message Clarity:** The effectiveness of the poster in communicating the intended message.
- e. **Overall Execution:** The technical skill and craftsmanship displayed in the creation of the poster.

Creativity and Originality:	30%
Visual Impact:	20%
Relevance to the Theme:	15%
Message Clarity:	25%
Overall Execution:	10%
<b>Total:</b>	<b>100%</b>

- 6. After the contest work period, all entries will be submitted to the organizers
- 7. The Panel of Judges shall be composed of the following:
  - Chairperson:** Chief ESSD
  - Vice Chairperson:** Climate Reality Project Representative
  - Members:** SPPS Unit Head  
Regional DRRM Coordinator  
EPS, MAPEH
  - Tabulator:** ESSD Staff
- 8. After the adjudication and tabulation of results, the Panel of Judges shall announce and award the winners of the regional contest. The decision of the Panel of Judges shall be final.
- 9. Prizes:
  - a. The top three winners will receive prizes and certificates of achievement.
  - b. All participants will receive a certificate of participation.

Project Development Officer II

## **MECHANICS FOR QUIZ BEE CONTEST**

### **I. Introduction**

The Regional Climate Change Caravan Quiz Bee Contest aims to raise awareness and knowledge about climate change and its impact on the environment. The contest will provide a platform for participants to showcase their understanding of climate change issues and solutions, fostering a sense of environmental responsibility.

### **II. Eligibility**

The contest is open to students from grades 9 to 12, the Division Offices are given the discretion to select one participant for the quiz bee to represent their Division.

### **III. Registration**

The participants should register at the venue before the contest starts to account for each Division Office entry. The Division DRRM Coordinator is the designated official contact person for registration and communication purposes.

### **IV. Format**

1. The quiz bee will consist of three rounds: preliminary, semifinal, and final. Each contestant should bring a 1/8 size illustration board, chalk, and an eraser.

#### **Preliminary:**

2. The preliminary round will be conducted as a written test to evaluate the participants' knowledge of climate change-related topics. The questions will be in multiple-choice or short-answer format.
3. The top 8 participants with the highest scores from the preliminary round will advance to the semifinal round.

#### **Semifinal:**

4. The questions will be a mix of multiple-choice, fill-in-the-blanks, and true/false.
5. The top 5 participants with the highest score will advance to the final round.

#### **Final Round:**

6. The finalists will face a series of challenging questions. The format may include multiple-choice, true/false, short-answer, and visual identification questions.
7. The team with the highest score at the end of the final round will be declared the winner.

### **V. Question Bank**

The quiz questions will cover various aspects of climate change, including but not limited to:

- a. Causes of climate change (e.g., greenhouse gas emissions, deforestation)
- b. Impact of climate change on ecosystems (e.g., biodiversity loss, sea-level rise)
- c. Renewable energy sources and sustainable practices
- d. Climate change adaptation and mitigation strategies

- e. International agreements and initiatives (e.g., Paris Agreement, Kyoto Protocol)
- f. Role of individuals, communities, and governments in addressing climate change

## **VI. Time Management**

Each round will have a predetermined time limit to ensure the smooth progress of the contest. Participants must complete answering questions within the given time frame.

## **VII. Moderation and Scoring**

A quizmaster will moderate the contest, ensuring fairness and adherence to the rules. Scores will be awarded based on correct answers, with partial credit given for partially correct responses. In case of a tie, a tiebreaker round will be conducted to determine the winner.

## **VIII. Awards and Recognition**

The winning team will be awarded a prize and certificates. Certificates of participation will be provided to all participants. The contest results and the winning team will be announced and celebrated during a closing ceremony or event.
