Grand Testimonial :

The Good Lord, indeed, has plans that are better than ours - and when you believe it, and when you least expect it, it will be granted!

My journey to taking the Career Executive Service - Written Examination (CES-WE) is quite a roller coaster. It took me a while to finally decide on taking the exam as I doubt myself if I have the necessary competencies to take it. Yet after a few discerning moments, I decided to give it a try - after all, as they said, every journey begins with a single step.

Through common friends on social media, I came across Sir Gilbert Llovit and his GML Review and Consultancy Services. Knowing that some of the people I look up to follow him, I decided to avail myself of the review packages it offers (specifically Packages 1 and 8). Perhaps, that is one of the best investments I have ever made for this journey - investing in review materials. Although I only availed of these two packages, the contents are invaluable. It has a wide array of studies, summarized notes, sample essays, highlighted salient features of different management and leadership theories and concepts, indispensable tips, and numerous questions that, in a way or two, allow you to be familiarized with the manner the questions were framed.

Finally, I mailed my application for the WE days before the deadline for December 2022 examination. This is after deciding not to file for September 2022 Exam and the Legazpi City Exam schedule because of loads of work. Yes, my preparations happened long before I applied for the exam.

This has also driven me to attend GML's Final Coaching via Zoom (for Visayas and Mindanao examinees, yes, I took my exam at Cebu). It is here that the valuable tips for acing the exam were given by GML - from the pencils to strategies, to what to wear. The mock exam was equally worthy, plus the wonderful how-to-ace-the-essay tips are outstanding.

Unfortunately, a few days before December 2022 exam, I have not received my Exam Permit yet and decided to call CESB which informed me that I cannot be accommodated anymore for the December exam but instead relayed to me that I will be accommodated in the January 2023 Cebu Exam schedule. I felt disappointed at first, as I thought I am at my best for the December exam. Nonetheless, I shifted my vantage point and tried to look at the silver lining of it: I still have more than a month to prepare.

And the rest, as they say, is history.

Thus, I share this joy with all who have made this journey possible: my family, colleagues, and fellows in DepEd whose interactions filled my cup of experience, my DepEd Iriga family, and all those who always believed in me, even at times that I don't.

To GML Review and Consultancy Services and Sir Gilbert Llovit, I am sharing this joy with you, too!

I am certain it is His will to not allow me to take the exam last September and the Legazpi schedule. It is His plan that I was not able to receive my Exam Permit for December 2022 schedule. It is His plan that I have friends who sent me the CESWE form. It is His will that I came across with GML.

It is all His plans - plans that are better, bigger, and bolder than mine.

Testimonial from CESWE Top 5 Atty Michelle Diana Maniwang-Bisa. GML Review Center was a big help when I was preparing for the CESWE. It provided simulated exams and held practical coaching on how to tackle the exams. It not only provided for the knowledge and review materials which is useful in taking the exams but it also gave one confidence to pass it as well.

CESWE Testimonial

I had been undecided whether or not I should take the Career Executive Service Written Examination (CESWE). Chancing upon GML Review and Consultancy's advertisement was a God-send to me. It was a sign and it gave me the courage to take the next steps in taking the CESWE.

GML has several packages that can cater to the needs of the takers. There are packages for those who want to self-study or those who are more comfortable in a classroom setting. The review materials are available in written, pdf, audio and video formats, so anyone can easily study anywhere, anytime, and at one's own pace. The self-study review materials helped me hone my critical thinking, mathematics and problem recognition skills.

Any person taking the CESWE should attend GML's final coaching. GML shared tips and guidelines, which varied from simple tips, like the number of pencils to bring, to the more complex, such as powerful words or phrases that can be used when crafting essays. It gave me an idea of what the actual CESWE would be like.

Discipline, determination, and time management combined with the skills I honed from GML review and final coaching helped me hurdle the CESWE. All these were made possible because of the guidance of GML; the inspiration of my bosses; love and support of my family, friends, and colleagues; and the grace and blessings from the Lord, our God.

I wanted to take a moment to express my heartfelt gratitude to the GML Review Center for the invaluable assistance they provided me in passing the CESWE. Living in Surigao del Norte, I was initially worried about finding a review center that could help me prepare for this challenging exam. However, thanks to their online review program, I was able to overcome this hurdle and ultimately pass the test.

Despite the distance, Sir Gilbert is always accessible and responsive to my queries and concerns. I appreciated the flexibility and convenience of the online review sessions, which allowed me to study at my own pace and in the comfort of my own home. The materials they provided were comprehensive and well-structured, and I felt confident and well-prepared heading into the exam.

I want to express my appreciation to the entire team at GML Review Center for their hard work, dedication, and expertise in helping students like me achieve their goals. Their efforts have made a tremendous difference in my life, and I will always be grateful for the support and guidance they provided.

Thank you once again especially to Sir Gilbert!

ODE to *Daragang Magayon*

Your impeccable beauty and serenity
that has withstood centuries and generations;
All the timeless majesty, fury at times,
has awed and enthralled the wonders of nature;
Your betrothal to *Panganoron*
had transcended a great seed of love and compassion;
The resonating endearment has osculated
the skies in the warm embrace of the universe;

With the adversity of *Pagtuga*
and his thunder bolt allies and his overarching jealousy
never ceased your care and love for Panganoron;
Your demise has unearthed a pinnacle of
enduring love that has sired a perfect mountain;

Echoing in eternity and looming in the horizon,
we are a witness to your volcanic tears as you spew lava;
Coming to your consolation is Panganoron
that seals your lips with a panoramic display of clouds;
Your opulence, the magnificence and pulchritude
will mesmerize us stunning our hearts
every day and forever.
