Sir:

Attached herewith is an official communication mailed on June 19, 2023, from Dr. Genis S. Murallos, CESO V, Schools Division Superintendent of the Southern Leyte Division. The purpose of this communication is to request the realignment of funds to address the urgent need for Temporary Learning Spaces (TLS) in response to the severe damages caused by STY "Odette" from Gakat Elementary School to Nava National High School.

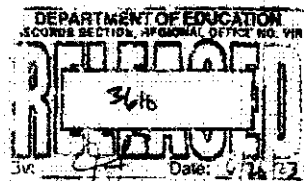

It has come to our attention based on the field visit that Gakat Elementary School, as listed, no longer requires the provision of TLS. This is due to the availability of extra classrooms that are currently accommodating two classes, effectively meeting the educational needs of the students.

For your convenience, the necessary documents have been enclosed with this communication for your reference.

The Office is looking forward to your attention and prompt consideration regarding this matter. We greatly appreciate your support in addressing the urgent need for TLS and the realignment of funds to ensure a conducive learning environment for the affected students in Nava National High School.

Very truly yours,

Subject: Request for Realignment of Funds of School for the Provision of Temporary Learning Spaces (TLS) due to Typhoon Odette

Good day!

This is in reference to the Guidelines on the Utilization, Documentation, and Reporting of Funds Downloaded for the Procurement of Materials, Supplies, and Labor for the Construction of DepEd Temporary Learning Spaces (TLS) in Schools Affected by Typhoon Odette. Based on the field visit conducted at the recipient schools for the provision of TLS and in accordance with Annex A, paragraph number 2 of the aforementioned OUGFO Memo, the undersigned would like to request the realignment of funds for the school's provision of Temporary Learning Spaces (TLS).

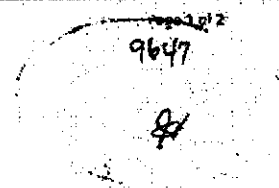

FROM			TO		
School ID	School	No. of TLS Allocation	School ID	School	No. of TLS Allocation

Attached to this communication are the necessary documents from the original school, including the list of schools requiring realignment funds, as identified in the vetted Rapid Assessment of Damages Report (RADaR) for Typhoon Odette.
