# **Calling all young innovators and road safety champions!**

**Safer Schools is an innovation contest organized by the UP National Center for Transportation Studies to promote road safety around schools.**

**In the Philippines, road injuries is among the top leading causes of death, especially for children 5 to 19 years old (WHO, 2019). With proper intervention, death due to road injuries can be preventable. Safer Schools aims to contribute to this prevention of road injuries around schools in the Philippines and promote safer streets and schools, for Filipino children.**

# Who can join?

Group of 3-5 Senior High School students

# What will happen?

Each participating group shall:

- Identify critical problem area/s in their schools where road safety can be improved.
- Develop an innovation, program, or any solution to address the critical problem area/s identified. This will be refined over the next weeks through the Safer Schools Lecture Series and Mentoring Sessions with experts in the field.
- Produce a 7-minute final pitch.

# How to join?

Interested groups must apply by filling out [https://bit.ly/SaferSchools\\_RegForm](https://bit.ly/SaferSchools_RegForm) by October 4 (Wednesday). Accepted groups shall be announced during the Lecture Series on October 7 (Saturday).
