**GEOID QUIZ 2023 BY THE UNIVERSITY OF THE PHILIPPINES GEODETIC
ENGINEERING CLUB (UPGEC)**

Attached is letter from the UPGEC, dated October 19, 2023, announcing the
conduct of the Geoid Quiz 2023 on November 11, 2023 at Room 428, 4F Melchor
Hall, Osmena Avenue, UP, Diliman, Quezon City..

The target participants are STEM high school classroom teachers and learners
from both public and private schools.

Participation of both public and private schools shall be subject to the *no-
disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled
*Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance
Therewith.*

See the attached letter for more information.

Considering that this is an Advisory, Schools Division Superintendents are
given the discretion to act on this matter.

EVELYN R. FETALVERO

Regional Director
Department of Education Region VIII
Government Center, Candahug, Palo, Leyte

Dear Ms. Fetalvero:

Mabuhay!

The University of the Philippines Geodetic Engineering Club (UP GE Club) is a duly recognized academic organization in the College of Engineering, University of the Philippines Diliman. For more than eight decades, it has actively forwarded its objectives of fostering the development of geodetic engineering and science as well as promoting proficiency, competence, and excellence in this field of study.

As part of its 86th anniversary celebration, UP GE Club will once again hold the Geoid Quiz and Earthistic Poster Making Contest with the theme **SYNTHETICA x SYNESTHESIA**. Geoid Quiz is an annual quiz show introducing the geodetic engineering field and its importance among high school students by testing their skills in mathematics and science. Germane to this, Geoid Quiz 2023 will be held on November 11, 2023, revolving on the topic: **Synthetic: Unraveling the Geospatial Frontier with Futuristic Precision**. Meanwhile, Earthistic is a poster-making contest showcasing the artistry of high school students that helps raise awareness for the environment. This year, Earthistic revolves around the topic: **Synesthesia: Merging Human and AI Perception in Geomatics** The event will also be held on November 11, 2023.

These events aim to broaden the awareness, interest, and understanding of high school students in the field of Geodetic Engineering while being fun, interactive, and challenging.

In this light, we would like to ask for your endorsement of our events addressed to high school principals or heads in this worthwhile endeavor and help us invite and encourage public and private high schools to participate in the aforementioned events. Should you have any concerns or inquiries, please do not hesitate to contact us at 0976-296-4454 or 0956-614-0798. You may also reach us through email at geoidquizxearthistic.upgeclub@gmail.com.

Thank you very much.

Sincerely yours,

Ivan Arenas
