Regional Director

Department of Education

Government Center, Brgy. Candahug Palo, Leyte

Dear Director Fetalvero:

Good day!

As part of the annual celebration of the National Children's Month this November is the conduct of the Regional Children's Congress which will serve as an avenue to tackle issues relevant to the current condition of the young generation, to discuss issues confronting them, analyze and assess their own situation in the community then formulate recommendations and be able to bring these to different concerned agencies through children's report 2022 for Region VIII. Through this activity, we are fulfilling our mandate to oversee the welfare and development of our children by advocating and protecting their rights as well as address issues concerning them.

Our Child-Led Children's Caucus will be conducted this coming **November 24-27, 2023** at SOS Children's Village Tacloban. This will primarily be facilitated by our child facilitators who were trained prior the activity with the help of the different child trainers from different agencies and organizations.

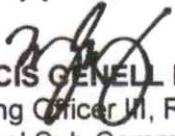

In line with this, we would like to request to help us in facilitating the excuse letter to our **nineteen (19) child facilitators** on **November 24, 2023 (Friday)** and be allowed to have a special consideration for any missed quizzes, recitations and even examinations.

Ms. Bavelle K. Ambas, one of the Children's Caucus Secretariat will coordinate with you or she can be contacted through no. **09083905587** or email at rscwcf08@gmail.com.

Enclosed herewith is the list of our child facilitators with the details of their school for your reference.

Thank you so much for your sustained support towards achieving our goal of a "Child-Friendly Philippines: A Caring and Protective Society for, by, and with the Children".

Very truly yours,

FRANCIS GENELL R. BERIDA, RSW

DR. EVERETT R. LEE
Regional Director
Department of Health
Government of the District of Columbia

Dear Mr. Lee:

Good day.
As part of the ongoing effort to improve the health of the District of Columbia, the Department of Health is currently conducting a study of the health status of the District's population. This study is being conducted in order to identify the major health problems of the District and to develop strategies for their prevention and control. The study will be completed by the end of the year and the results will be used to guide the Department's health programs.

Our Chief of Staff, Mr. [Name], has been assigned to coordinate the study. He is currently in the District and is working closely with the District's health officials. We are very interested in your organization's views on the study and would appreciate your input.

In line with this, we are seeking to establish a working relationship with your organization. We are particularly interested in your organization's expertise in the area of health care delivery and would like to discuss the possibility of a joint project.

We are sure that your organization's participation in this study will be most helpful. We are looking forward to hearing from you soon.

I enclose herewith a copy of the study report for your information. We are sure that you will find it most helpful.

Thank you very much for your interest in this study. We are sure that your organization's participation will be most helpful.

Very truly yours,

FRANCIS G. LEE
