DR. EVELYN R. FETALVERO, CESO IV
Regional Director – DepEd RO VIII/Eastern Visayas
Palo, Leyte

Dear Director Fetalvero:

Warmest greetings from the **Philippine Public School Teachers Association!**

As you know, PPSTA as a non-stock, non-profit organization operates as a mutual benefit association under the regulation of the Insurance Commission and exists not for profit but mainly for the purpose of providing programs geared towards the professional growth and development of the teachers, furnishing help and assistance to sick members, providing financial aid to members in need, granting benefits to those who have retired from the service, granting death aid to families of deceased members as well as supporting DepEd and the government as a whole in the improvement of the education system in our country.

While PPSTA operates a loan facility to provide assistance to financially distressed members and at the same time, augment its resources, its corporate mission to preserve the nobility and prestige of the teaching profession as an organization of professional teachers, sets it apart from other institutions.

In line with our intention to wage a massive nationwide membership enlistment campaign with the ultimate objective of sharing PPSTA's benefits and services to all DepEd teaching and non-teaching personnel, we wish to conduct roving activities in the region. For this purpose, we are more than willing to have our Roving Team attend every gathering of DepEd teachers and personnel in Eastern Visayas.

The PPSTA Roving Team is like one-stop-shop of PPSTA that goes to the grassroots to handle onsite presentations about the Association as well as its plans and programs, queries and processing of membership and loan applications. As regards onsite processing however, we wish to manifest that application approvals can only be made once cleared by a DepEd verifier as required under the DepEd APDS rules.

Should you have questions or clarifications, please feel free to reach the undersigned through the member of the PPSTA National Board of Trustees representing Region 8, Dr. Manuel Albano, or the undersigned.

We look forward to your favorable response. Thank you and best regards.

Very truly yours,

GILBERT A. SADSAD
President
