 Gender and Development Coordinator

Dear Director Fetalvero,

Good Day!

This 2024, the DOH EV-CHD is piloting the implementation of the *Healthy Workplaces Program*. Its goal is to ensure workplaces are health-promotive for our workers in keeping with both the Universal Healthcare Law and the National Policy Framework on Healthy Workplaces. **Your office has been identified as a pilot implementing government agency.** An onboarding was held last December 4, 2023 with representatives from your office's administration.

In order to build upon the gains of the capacity-building session, **we would like to humbly request for an onsite courtesy call with your kind office on March 1, 2024.** This will be a thirty to forty-five minute session to benchmark with your office regarding the implementation of the Healthy Workplaces Framework. Apart from yourself, we highly recommend that other attendees from the office be from any of the following: Administration, Human Resources, Occupational Safety & Health Committee, and/or Employees Associations.

Thank you for your kind support and consideration. Please let us know as soon as possible what time would be convenient for you, or if you have alternative suggestions. Please do not hesitate to contact **Mr. Andrei Narciso** (Healthy Workplace Focal Person) at anarciso.doh@gmail.com or **09171167525 (Text Message or Viber)** if you require any further information or clarification.

Thank you!

Sincerely,

EXUPERIA B. SABALBERINO, MD, MPH, CESe
 Director IV
