WHAT IS

UP RUNGGIYAN

UP Runggiyan (Iwaray-waray, Leyte-Samarnon) meaning inner force; force from within) is a socio-civic organization committed to the development of the full potential of its members by consistently holding relevant events that shape the UP Tacloban community, promote volunteerism, protect the environment and empower the youth.

UP Runggiyan has established three flagship programs from its social responsibility framework, namely:

- Runggi-Risyu** involves the school, work, and life balance of each member. The activities under this symbolize Runggi's fun-loving nature, such as Freshies' Frolic, Runggiympics, and team building.
- Runggi-Buswak** is designed for the development of the talents and skills of the youth. Dance Wars, Parayaw Night, and Aton Ini are the events under this program.
- Runggi-Halad** is the organization's primary outreach program, serving the UP Tacloban and the community through adopt-a-school, medical missions, gift-givings, and feeding programs.
