SUBJECT : SUBMISSION OF OWNERSHIP STATUS OF PUBLIC SCHOOL SITES

DATE : 05 FEB 2024

The Department of Education (DepEd), through the Legal and Legislative Affairs, will undertake a data mapping of public school sites ownership nationwide to generate updated and accurate data for policy, planning, and programming purposes and in preparation for its possible inclusion in the ongoing development of Pillar 1 Manual on Safe Learning and Environment Facilities and as one of the components of PlanSmart for Safer Schools. This is an initiative of DepEd in partnership with the Department of Science and Technology-Philippine Institute of Volcanology and Seismology (DOST-PHILVOCS), to develop a tool designed to generate school hazard exposure and provide evidence-based and science-based analysis.

In view hereof, the regional and schools division offices are hereby directed to submit an update on the ownership status of lands occupied by public schools within your respective areas of jurisdiction, using this link: <http://tinyurl.com/ssownershipdata> on or before **February 15, 2024**.
