EVELYN R. FETALVERO, CESO IV
Regional Director
Department of Education
Region VIII- Eastern Visayas

Dear RD Fetalvero:

Greetings from Save the Children!

We are currently implementing the Education Safe from Disasters Project in partnership with the DepEd Disaster Risk Reduction and Management Service (DRRMS), supported by the Prudence Foundation. This project aims to establish a comprehensive information management system within the Department of Education to assist schools in collecting, consolidating, and analyzing data for use in Disaster Risk Reduction and Management (DRRM) planning and decision-making. Additionally, it aims to strengthen children's meaningful participation.

Furthermore, we have initiated the implementation of the Building Resilient Futures in the Philippines project in the Division of Eastern Visayas. This project aims to develop Youth for Environment in Schools Organization (YES-O) Modules and to support community and school-based climate change initiatives.

As part of our ongoing efforts to support DRRM/climate change initiatives and school safety, Save the Children would like to request a **Batang Empowered and Resilient Team (BERT) and YES-O Modules Presentation and Roll-Out Consultation Workshop** with Regional and Division DRRM and YFD Coordinators on March 19-21, 2024, from 12:00 NN to 5:00 PM at a Hotel in Tacloban City (venue to be finalized). The cost of meals and accommodation will be covered by Save the Children.

We believe that the insights of the regional and division DRRM and YFD coordinators will play a crucial role in driving the success of these important initiatives, aligned with the MATATAG Agenda.

We appreciate your consideration of this request. For further queries, please contact our Program Coordinator, **James Rory Grecia**, at **09773891196** or email at james.grecia@savethechildren.org.

Sincerely,

Hector Tuburan
Head of Office-Visayas
Save the Children Philippines
