RECOMMENDATIONS: (Focus on the Conduct of the RFTACT deployment)

1. To address the challenge on virtual engagements and to provide quality TA to SDOs, conduct of the deployment has to be face-to-face in all quarters.
2. RFTACT members to undergo a Capability Building on the mechanics on TA Provision for them to guide the DFTACTs on how to surface Root Causes (RC) of issues/concerns to ensure that interventions are directly related to the RC.
3. FTAD to ensure that the needed members of the DFTACTs during deployment are present or represented.
