REGIONAL MEMORANDUM

No. **665**, s. 2024

PREPAREDNESS FOR THE ONSET OF LA NIÑA 2024

To: Schools Division Superintendents
All Others Concerned

1. Pursuant to Memorandum No. 06-002, s. 2024 from the Regional Disaster Risk Reduction and Management Council (RDRRMC), the Regional Office and all Schools Divisions Offices shall take the following preparedness measures for La Niña against the possible impacts of the rainy season:

- undertake risk informed decision-making;
- undertake Pre-Disaster Risk Assessment (PDRA) and other related meetings as needed;
- undertake resource inventory and stockpiling as RDRRMC Response Clusters; and
- monitor the news and authorized government sources for weather updates, warning, and advisories.

2. The Schools Division Offices shall encourage the teaching and non-teaching personnel to do the following:

- check and prepare “Go Bags”; and
- stockpile goods at home.

3. Immediate dissemination of and compliance with this Memorandum are desired.

El Niño in the tropical Pacific Ocean continues to weaken but impacts such as hotter and drier conditions still persist. A transition to ENSO-neutral conditions is anticipated during the April-May-June (AMJ) to May-June-July (MJJ) 2024 season. However, a likelihood for La Niña to develop during the June-July-August (JJA) 2024 season has a 60% chance

With these conditions, the PAGASA ENSO Alert and Warning System still remains at El Niño Advisory / La Niña Watch. PAGASA will continue to monitor the weather and climate situation of the country. The public and all concerned agencies are advised to take precautionary measures against the possible impacts of the rainy season.

Further, all concerned government agencies and the public are advised to take the following preparedness measures:
